

*Our school is situated in one of the most beautiful parts of Sofia-the capital of Bulgaria. Mount Vitosha-a nature park begins in the vicinity of our school. Children from nursery school age to 7th grade are taught there.*

*We, Bulgarians, are an ancient people with a long history.*

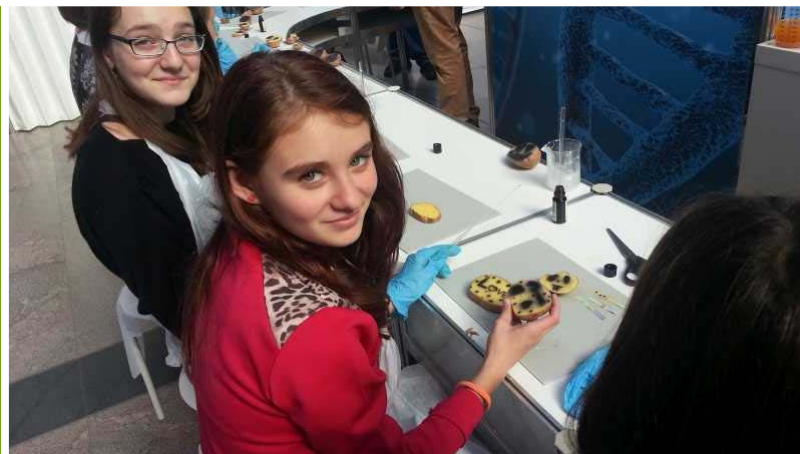

*We love and keep our traditions and that is what we teach our children.*

Our students are talented and clever, they take part in various competitions and win prizes.

*We study and play-A practical lesson in chemistry that has been made fun.*

*We know how important it is to conserve nature-these are our models of environmentally friendly homes made for EARTH DAY.*

*We loved to create things - a lesson about a healthy diet - the traditional Shopska salad, fruit and lunch boxes, specially made by the children.*

# *A fruit and vegetables festival-still another form of healthy eating.*

# Our school's sports day.

*The students of our school take part in charity events.*

*Every year we have a charity bazaar and we donate the sums raised.*

*We love having a good time. These are our momentals of our last camp in the foothills of one of the most beautiful mountains in Bulgaria.*

*Life in our school is funny and interesting!  
Friends, we are looking forward to seeing you in Sofia!*
