## MORAVIAN – SILESIA REGION

The school is located in a small village Melč, in the Moravian – selesian region at the west side of the Czech republic.

The bordering states are Poland at the north and Slovakia at the east.

# WELCOME TO THE MICROREGION **MORAVICE**

The picturesque region full of natural beauties and historic sights where the ordinary people live. What you will find here is rest and peace of mind as well as congenial rural atmosphere with touches of the past of the old town. The region is full of natural beauties and historic sights. In 1994 a National Park Moravice was announced at this region.
