**▶ INTERACTIVE READERS****WATER POWER**

THE GREATEST FORCE ON EARTH

By Karmel Schreyer  
Series editor Bob Hastings

Water has powered industry for ages, helping to drive industrial growth. However, the awesome power of water can have some very negative consequences. Floods, tsunamis, and erosion all threaten our partnership with water.

Cambridge Discovery Education™ Interactive Readers are the next generation of graded readers – captivating topics, high-impact video, and interactive exercises designed to motivate and engage.
