▶ INTERACTIVE READERS**WATER**
VITAL FOR LIFEBy Genevieve Kocienda
Series editor Bob Hastings

Water is one of the most essential ingredients for life on Earth. This reader looks at water in all its forms – in the air, on the ground, in the oceans, in our pipes – and explains how water keeps our lives moving.

Cambridge Discovery Education™ Interactive Readers are the next generation of graded readers – captivating topics, high-impact video, and interactive exercises designed to motivate and engage.
