What's this?

This shared Google Slide will be an e-book that celebrates the European Day of Languages 2018.

Sure!
Everybody is invited to
join us!
If you need help, ask
for it, but don't delete
the previous work,
please.
Thanks!

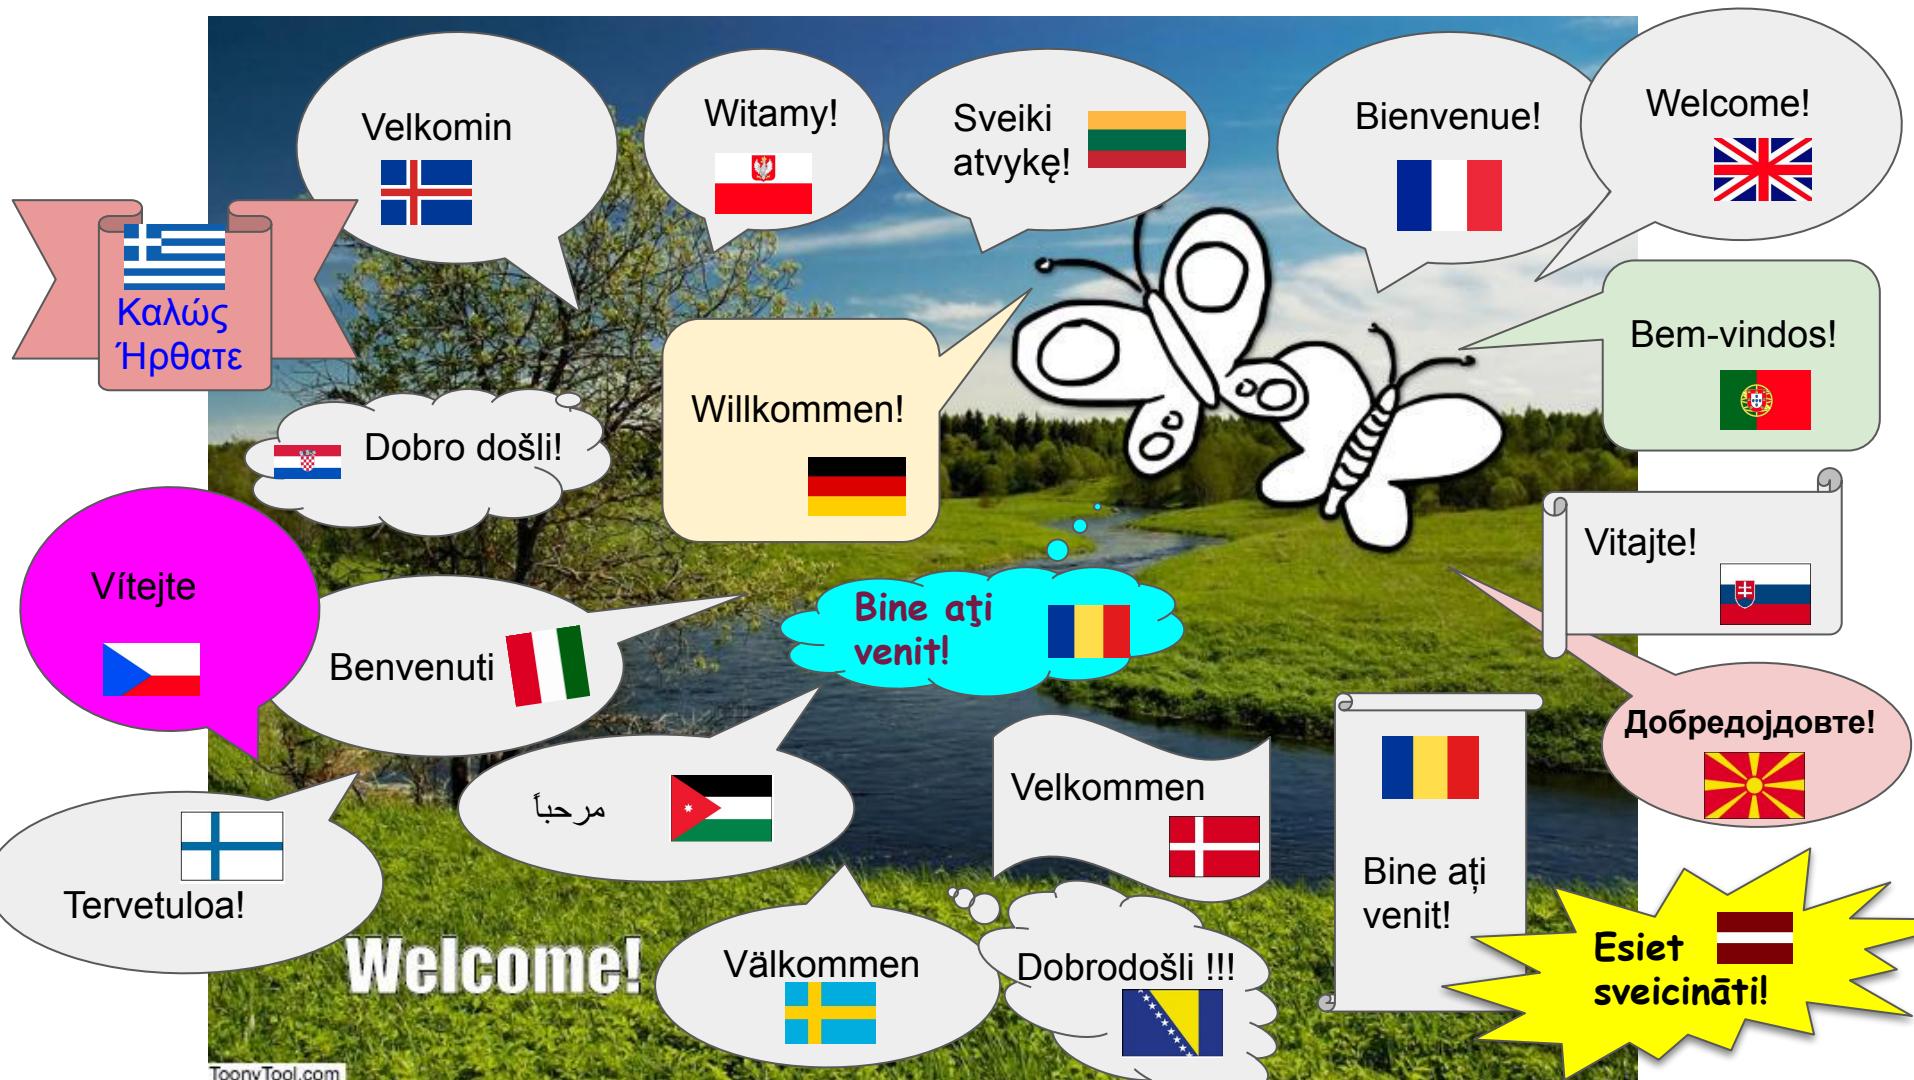

What should I do?

- . Choose a *slide-sentence*.
- . Choose a character.
- . Create a bubble (click *insert, shape, callouts*).
- . Translate the sentence in the slide into your language.
- . Insert your flag into the bubble (choose from the *flag-slide*).
- . Add your name/class in the *participants-slide*.

Do it til 28/09(2018).

Wow, very impressive, happy to join!

What does that mean in English? Does it Make any Sense to add something nobody understands? The founders surely had something different in mind
