## Dissemination SPAIN – 1.02.2021-30.06.2021

Erasmus+ Project 2020-1-PL01-KA229-081408\_1

### 2.2021

- After online meeting with all members on February 11<sup>th</sup>, the Spanish coordinator reports tasks to teachers who will be involved in activities for virtual mobility C1.
- Erasmus+ coordinators meeting with the coordinator of the school project about our Biosphere Reserve in order to unify tasks about heritage by students and to reach a wider audience.
- Participation on programme *Muévete 2021*, which means an exchange of experiences among different schools from Extremadura. Our representatives place special emphasis on the project “Heritage for development”.

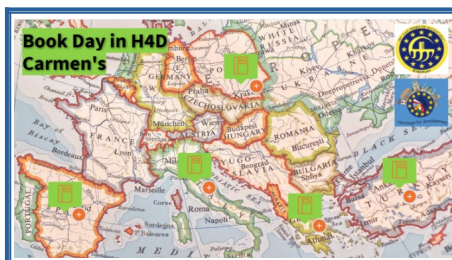

### 3.2021

- Post about activity [8<sup>th</sup> March and Erasmus+](#) on our blog and Instagram.
- During the month of March, all our groups were working on activities related to [Industrial Heritage in Poland](#) in order to prepare our first virtual mobility.
- Also, some studied topics gave rise to relate them to cultural heritage and our project: [Culinary heritage](#); [H4D+RBTTI](#).
- Posts about [Virtual Mobility C1](#) on our school's blog, website and profiles on Facebook and Instagram.

#### 4.2021

- Upload and post on social networks of our [Output 2](#) about the evolution of our local heritage.
- Book Day on Erasmus+: our students create presentations with the tool Genially.

#### 5.2021

- Posts about activities concerning the project “Heritage for development” on our [school's blog](#), website and profiles on Facebook and Instagram (Due to the amount of activities in our school throughout the months of March and April, our community manager decides to establish some timing for their dissemination on our social networks).
- Promoting final products like [Output 4-5](#) on blog, web, Instagram and Facebook.
- Closing meeting of the work group of teachers who have been involved in tasks and activities related with our project.

#### 6.2021

- Participation of our coordinators in the “Good Practice Day” organized by local teachers and resources centre in Brozas. Our representatives place special emphasis on the project “Heritage for development” and the way activities have been organized due to the pandemic.
- Post about activities concerning Mobility C2 on our school's blog, website and profiles on Facebook and Instagram.
