Monday, 8.11.2021

Today we could finally meet in person. First, we showed our presentations and case studies about industrial heritage in our countries. Then, host pupils showed us around XI LO, our Polish partner school. After lunch, Polish pupils guided us around Nowa Huta district.

Tuesday, 9.11.2021

We explored the attractions and peculiarities of the Old Town of Cracow. We covered the Royal Trial up to the Wawel Hill. There we gathered at the Wawel Dragon statue.

Wednesday, 10.11.2021

We enjoyed great weather in Śląsk where we visited sights of Industrial Heritage Route of Silesia region. We learnt about miners' work in Guido Coal Mine and in Nikiszowiec district we saw traditional miners' housing estate. At Gliwice Radio Station we suggested some solutions for re-arrangement of this spacious area.

Thursday, 11.11.2021

We had a day-tour to Auschwitz Museum and to Wieliczka Salt Mine. Both of them are good examples of industrial heritage and both precious historic sights.

Friday, 12.11.2021

Our last day, just after Polish Independence Day, started with a visit to Kościuszko Mound where we had multicultural activities. After lunch we returned to host school. There, we had the official meeting closure and a short party at school.
