Partners' heritage - Wieczór z Nauką (escape rooms)

On 3rd December 2020 our school organised fourth edition of event 'Wieczór z Nauką' (escape rooms). As usually, pupils grouped in small teams visited 11 escape rooms, where they solved puzzles and tasks of various topics.

This time, there were five online rooms, where questions were connected with cultural heritage of our partner countries in Erasmus+ project. Different aspects of literature, art, customs, cuisine, geography and history of Italy, Spain, Greece and Turkey were to be answered by the participants during the game.
