LEARN WITH FUN

CHAPTER 1

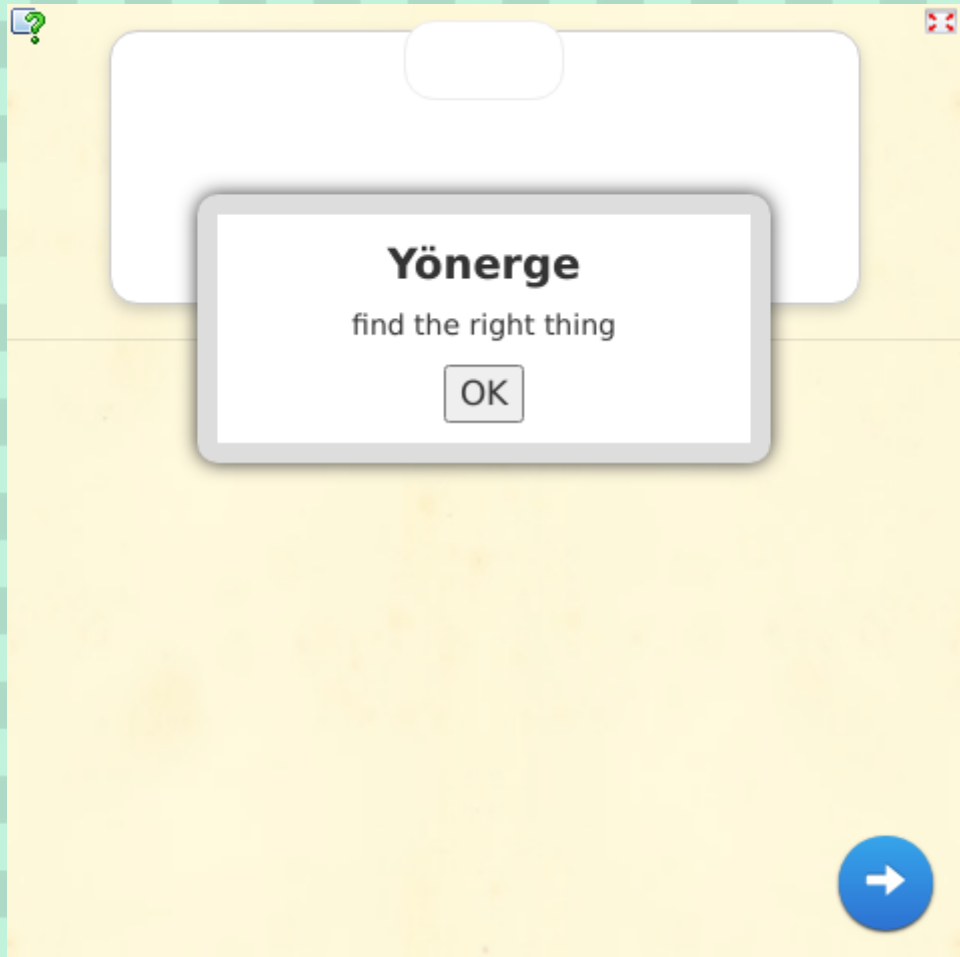

In this section, we have prepared fun studies about triangle types and basic elements of the triangle.

LETS FIND WORDS:)

My student Hilal has prepared for you

Click or scan the QR code. My student Demir has prepared for you

Powered by Wordwall

Another fun game. My student Zehra prepared for you

In this section, we used Wordwall and Learningapps web2 tools. At the same time, applications were made on Geogebra.

The fun learning activities of Yaşar Çelik Multi-Program Anatolian High School have come to an end. Thank you for having fun with us
