

A presentation about me, my school and our garden

Lilly-Sophie Bettges

Me

- I am 14 years old (5.1.2005)
- I am in the 8th grade
- I go to the Geschwister Scholl Gesamtschule (comprehensive school)
- I do athletics and play the guitar
- I am in a bilingual class

My School

- We had the erasmus + projekt
- Our school garden is newly created
- Our school is in Moers, Germany
- We are a school without racism, with courage

Our garden

- We in the erasmus + project had to made the garden new
- The garden was only gras and dry ground before we made it new
- Now we have 4 high beets
- in the high beets we plant rosemary, oregano, parsley, chives and tigernuts
