6 yanıt

Sorular Yanıtlar 6 Ayarlar

8. What are your expectations about the project?

6 yanıt

- Cooperation among partners, my students getting to know other cultures
- To enable my students to learn something new about different culture, meet new people and improve their language skills and 4Cs
- to work with my inspiring colleagues and their students
- Improve my information on world poetry, meeting new people, improve my digital skills, improve my students' skills
- I expect the project to involve my students with enthusiasm and give them the desire to participate in other international projects.
- I hope to learn,enjoy and make the students love poetry
