socrative
by MasteryConnect

Welcome to Socrative! We are happy to have you in the community. Like you, we think it's important to visualize student understanding. That's why we've developed an easy-to-use tool for building assessments and seeing results in real-time. It's everything you need to improve instruction and help student learning.

Although it's a very intuitive tool, everything in life should come with a manual, so let's get started with ours:

Register & Login	pages 2 to 8
Create & Edit Quiz	pages 9 to 16
Run Quizzes & Reports	pages 17 to 33

*Note – Socrative supports up to 50 students logged in at one time.

Register & Login

Register

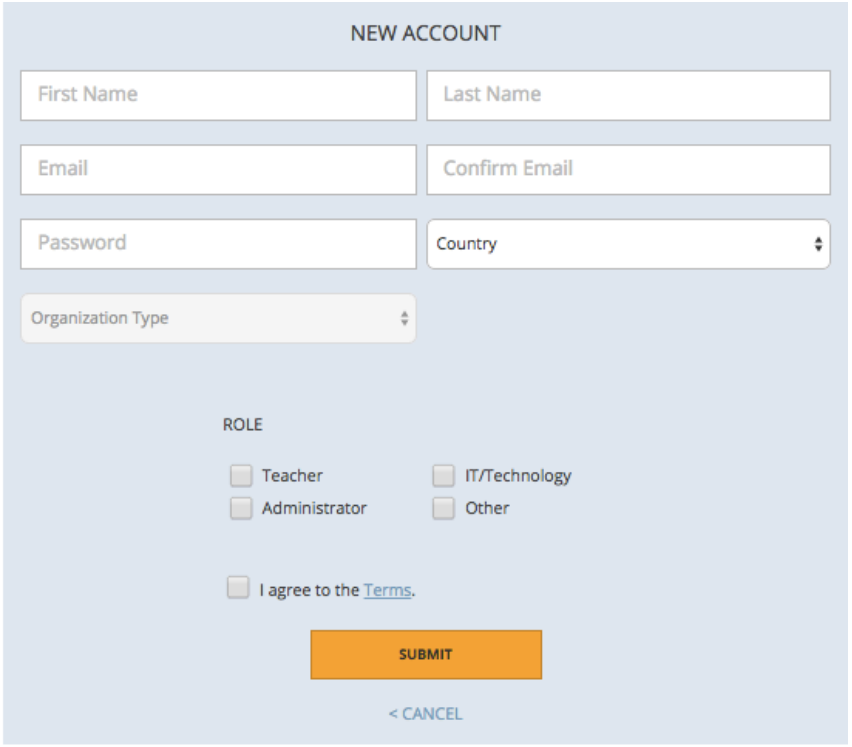
socrative

Go to www.socrative.com and click “Get a FREE Account.”

OR

Open your Socrative Teacher App and select:
(iOS, Android, Chrome, Windows Apps)

Complete the Registration Form and you’ll instantly have an account!

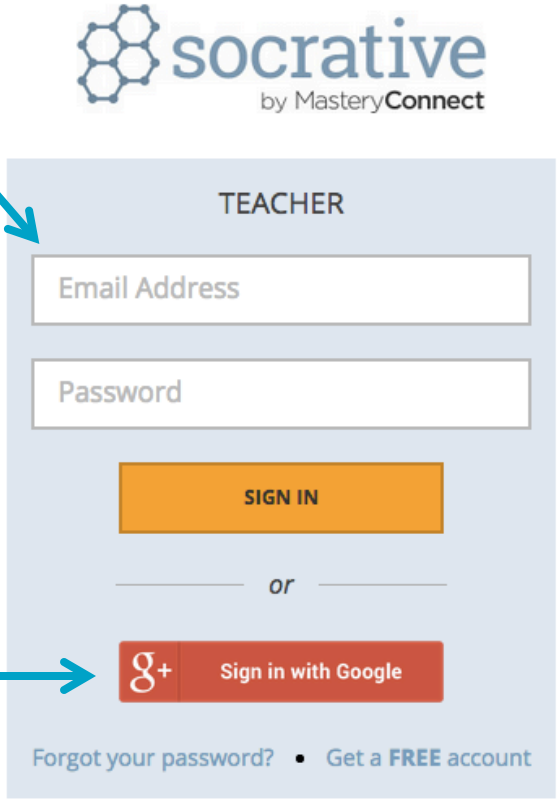


Log In

Visit socrative.com or open your Socrative app:

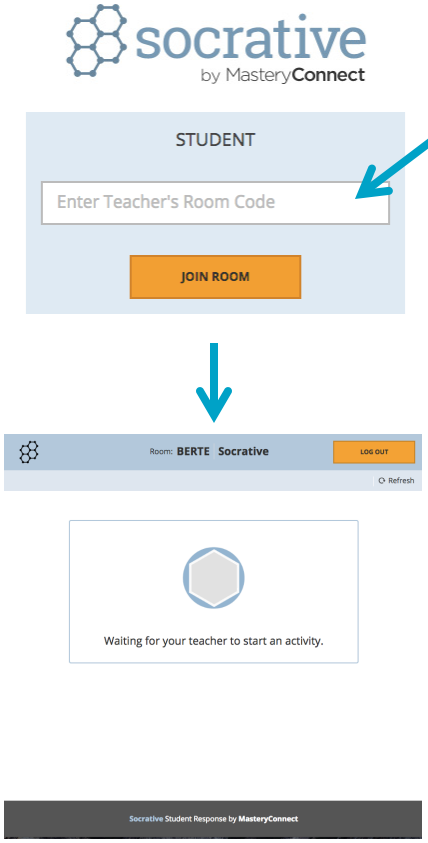
Teachers

Enter your email and password



If you use a Google account email or Google domain email, you can log in with this

Students



Students enter their teacher's unique **Room Code**

Students will see this waiting screen until the teacher starts an activity

Or go to t.socrative.com (Teachers) and m.socrative.com (Students) to log in.

Your Dashboard

socrative

Manage Quizzes
Do it all – create, edit, import, duplicate or delete quizzes, and view past Reports.

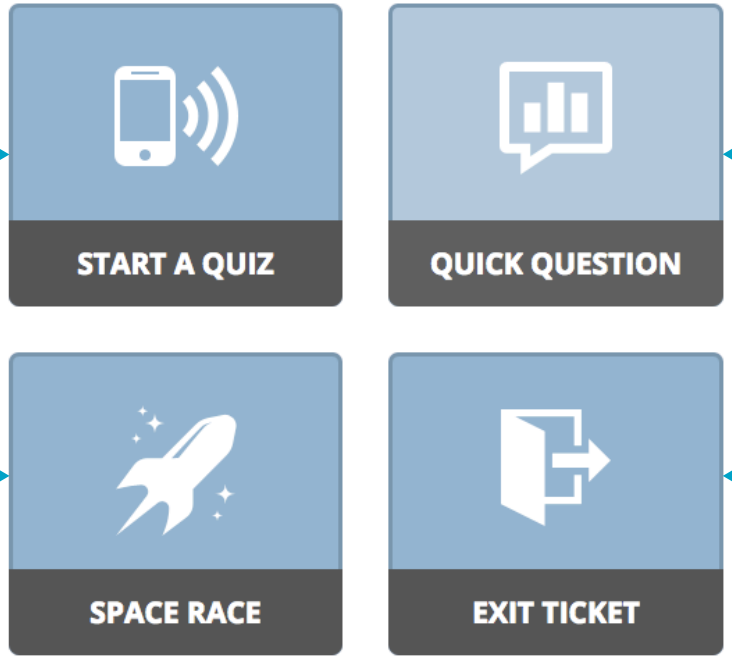
Room Code
Your students use this code to log in.

Start a Quiz
Already have a quiz? Great!
Start it here.

Quick Question
Low hassle, low prep questioning with dynamic results. We love it!

Space Race
Nothing better than intergalactic quiz travel.

Exit Ticket
Quickly check understanding before your students leave for the day.



More Dashboard

socrative

Return to Teacher Dashboard from any screen

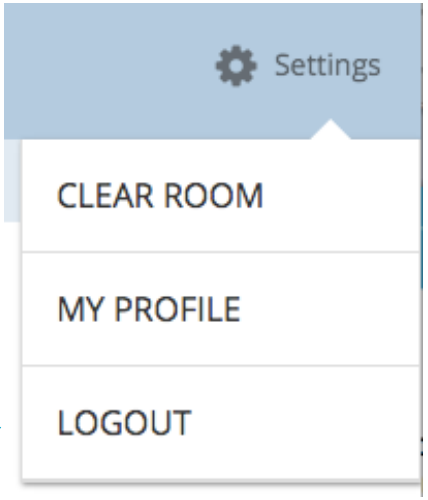
Click to see expanded Settings (below)

Go to your Manage Quizzes Dashboard

You are not currently running any activities. This will be lit up when active.

Number of students in your room

(expanded settings)



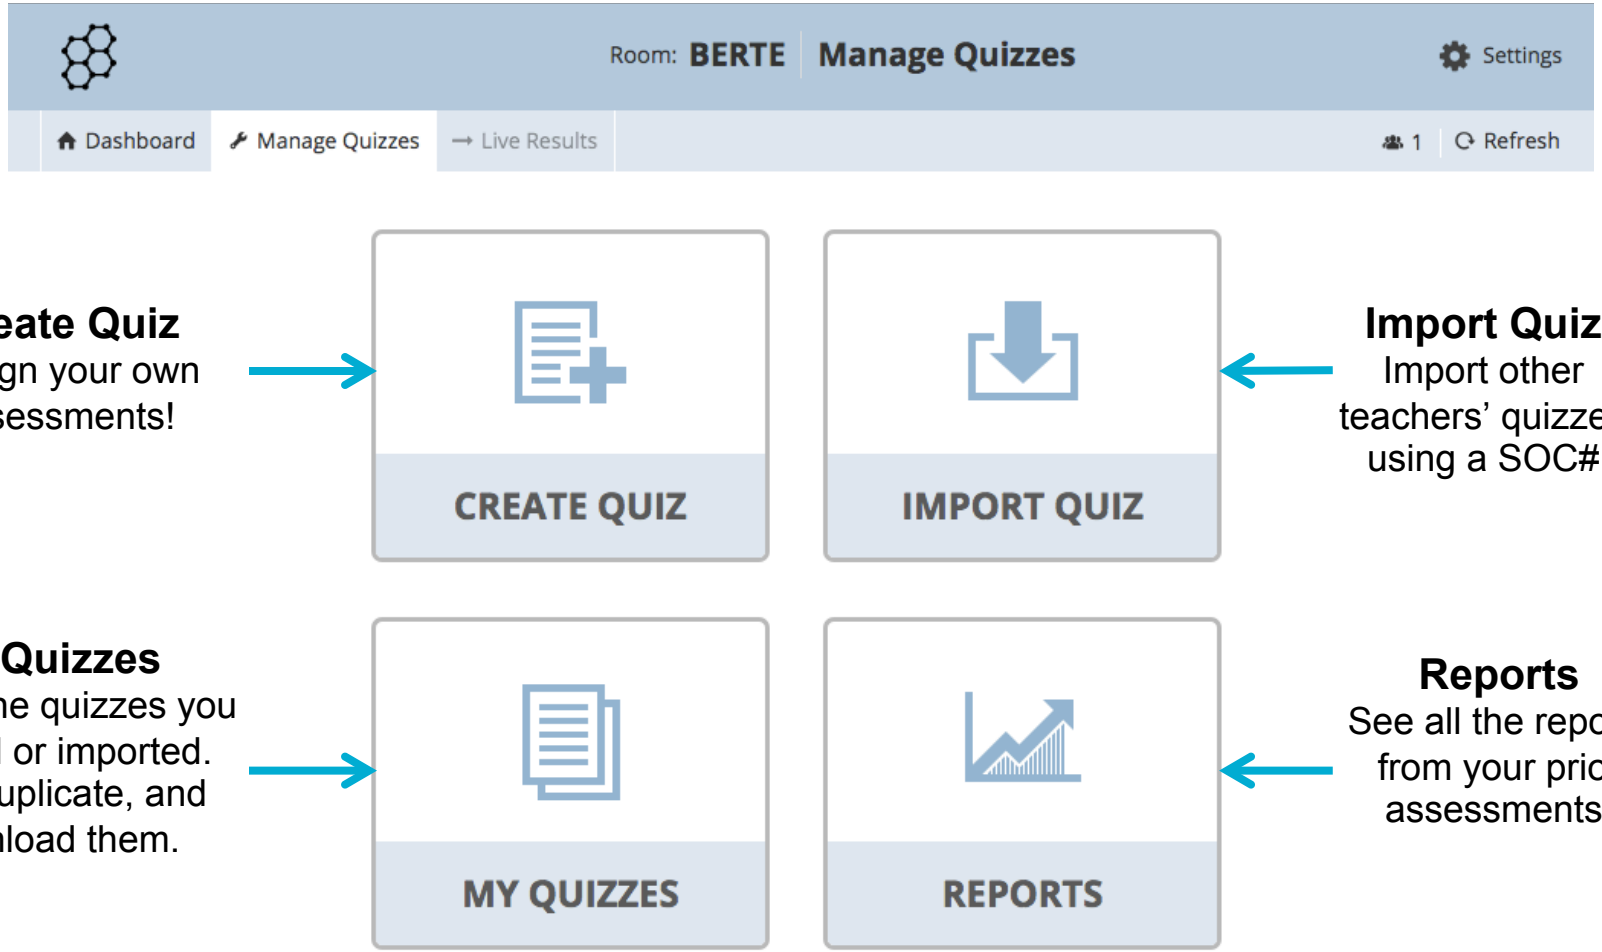
Clear students from your room

Access your account details to change Room Code, Email or Password

You get this one

Manage Quizzes Dashboard

socrative



Create Quiz
Design your own assessments!

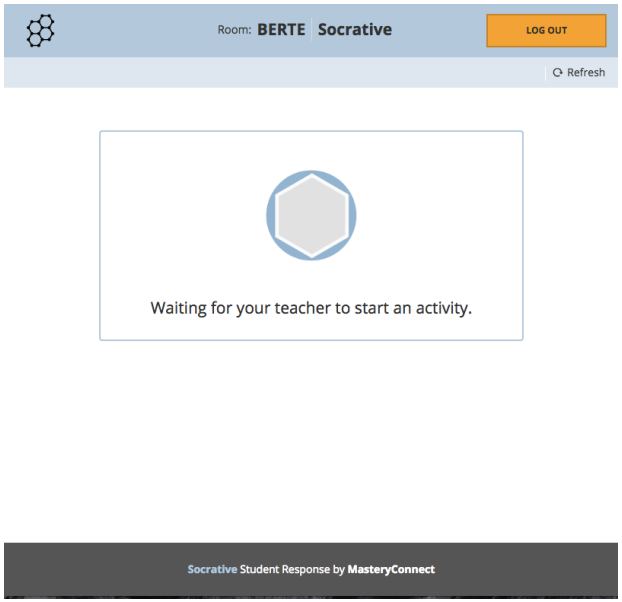
Import Quiz
Import other teachers' quizzes using a SOC#

My Quizzes
See all the quizzes you created or imported. Edit, Duplicate, and Download them.

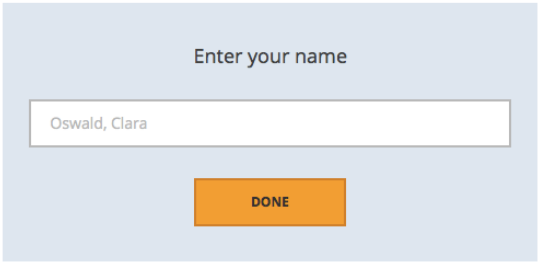
Reports
See all the reports from your prior assessments.

What Students See

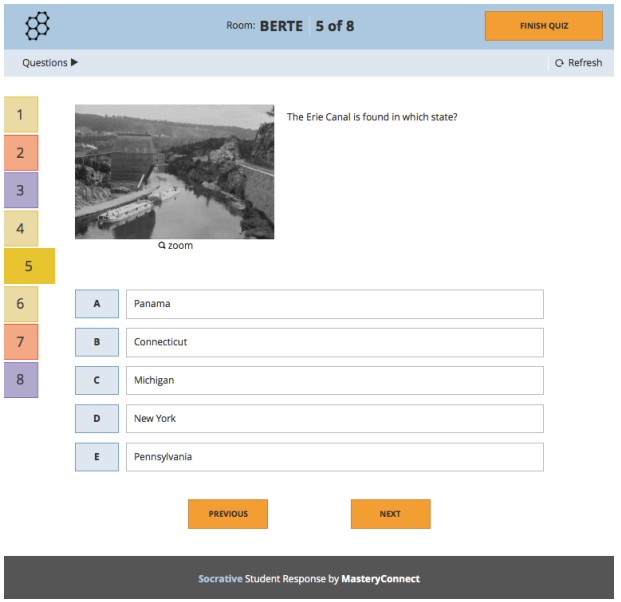
1. Students will see this screen before you start an activity or between activities.



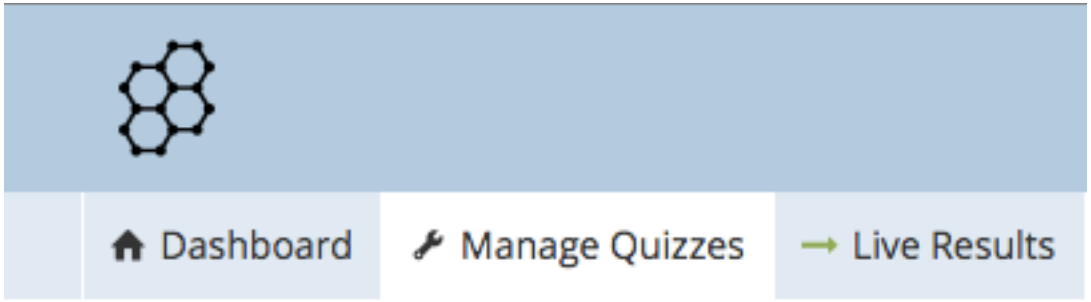
2. Students will be prompted for their name if it is a quiz based activity or a quick short answer (or you can choose to disable names).



3. Students will then enter the activity. (example pictured is a student-paced student navigation question)



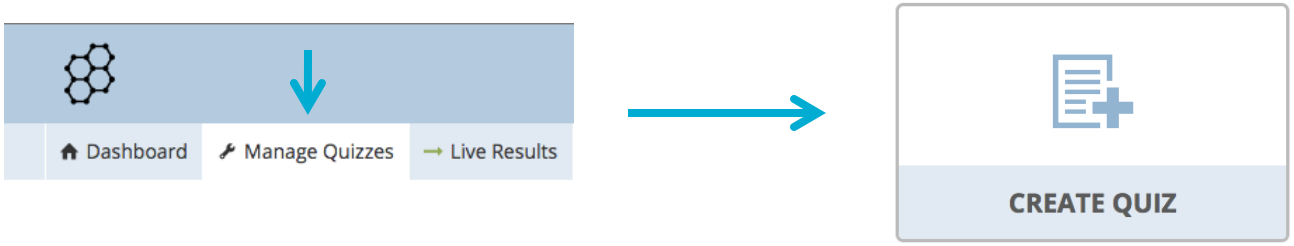
Create & Edit Quiz



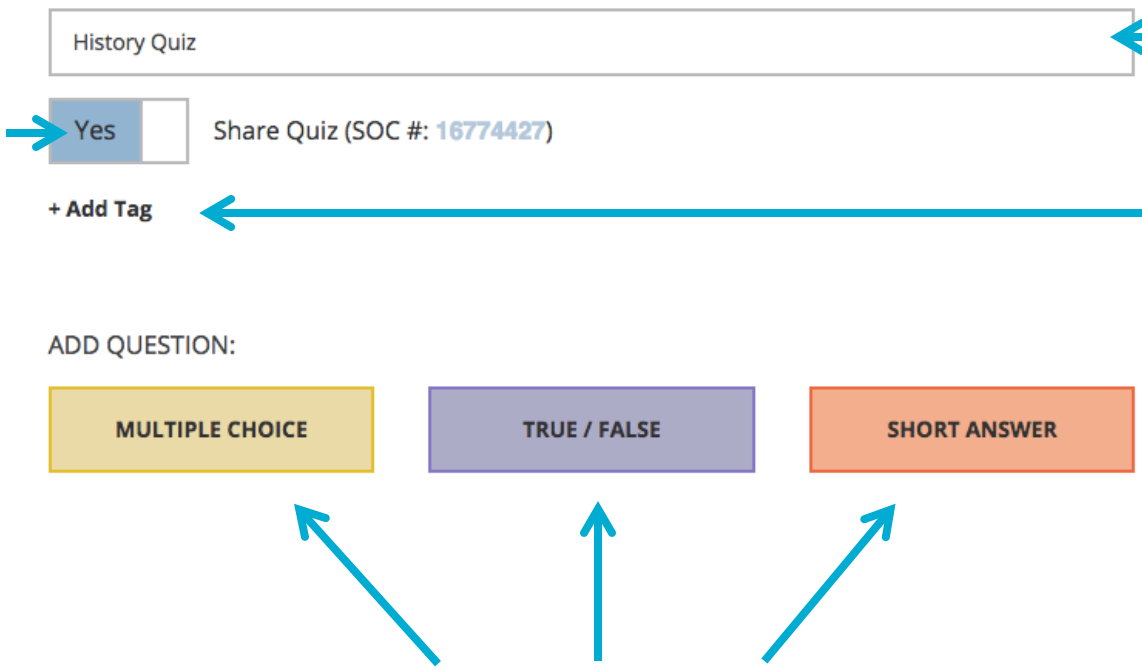
Creating a Quiz

socrative

Select:



When selected, your quiz is assigned a unique **SOC number**. You can give this to other teachers so that they have the quiz too. Gotta love collaboration!



Enter a name for your new quiz.

Add a Common Core tag to your quiz (see next page).

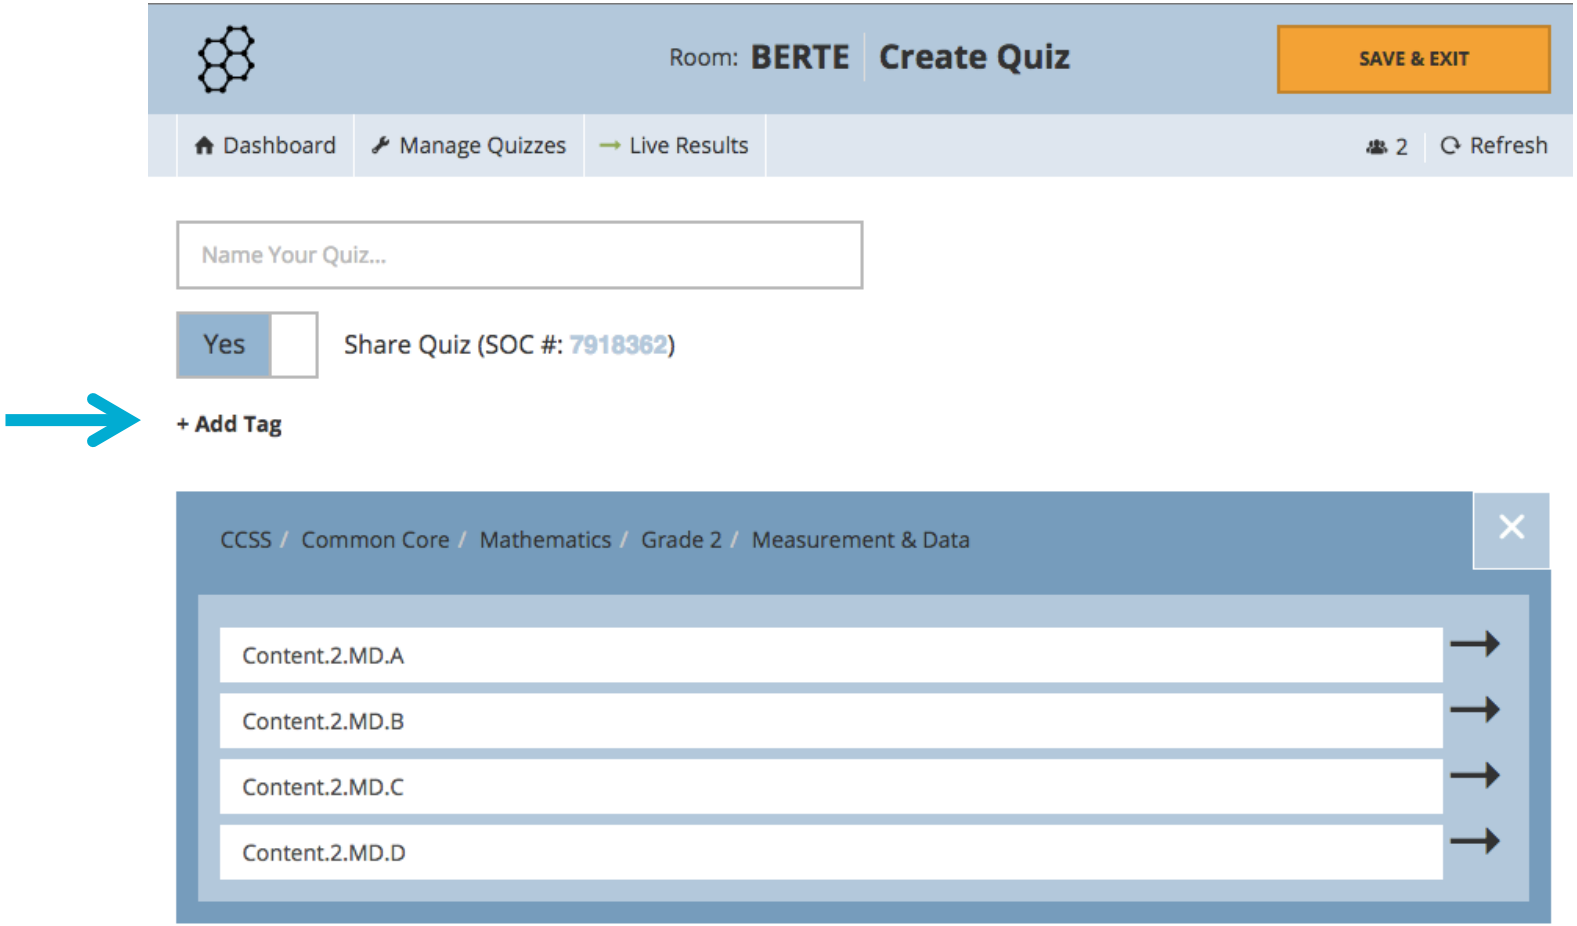
Add a question to your quiz. You will be able to delete and reorder.

Quiz Tagging

socrative

Adding a tag is easy!

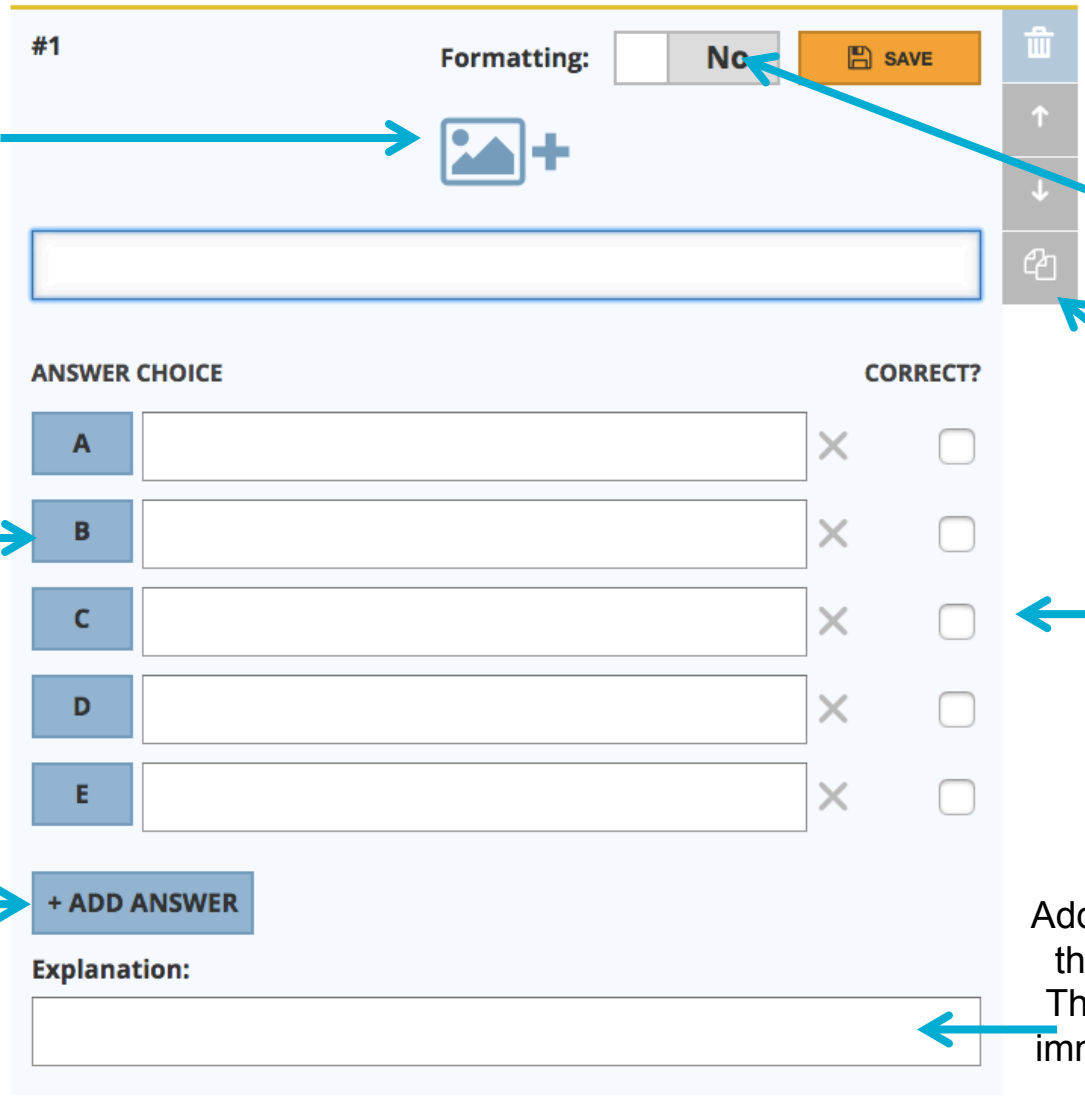
Simply select “Add Tag” and navigate to the desired tag using the arrows. Select individual tags to see descriptions or to navigate to the source of the tag. Add as many as you’d like.



Create Quiz – Multiple Choice

socrative

Select MULTIPLE CHOICE to add a Multiple Choice question to your quiz.



(Optional: Add an image to the question)

Turn ON for rich text formatting

In Save mode select to Duplicate Questions

Enter answer choices

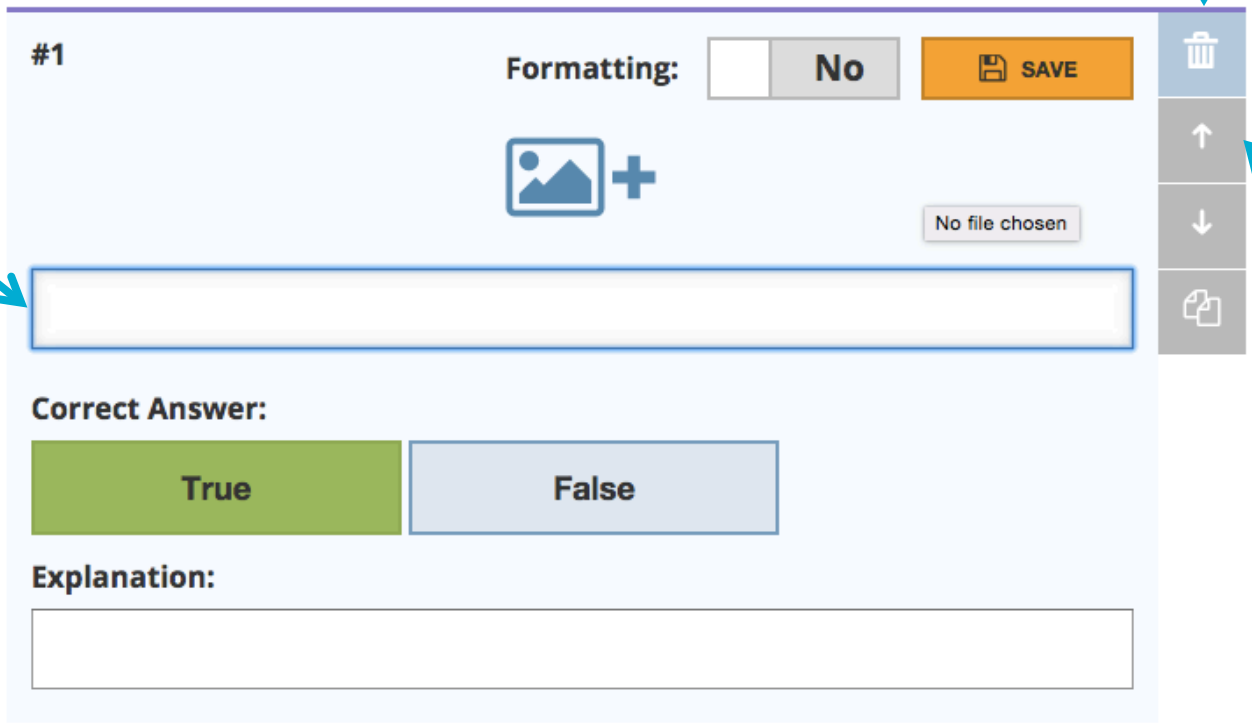
Mark answer choice(s) as correct

Add answer choices

(Optional: Add an Explanation of the correct answer. This will display with immediate feedback.)

Create Quiz — True/False

Select TRUE / FALSE to add a True/False question to your quiz.



Create Quiz – Short Answer

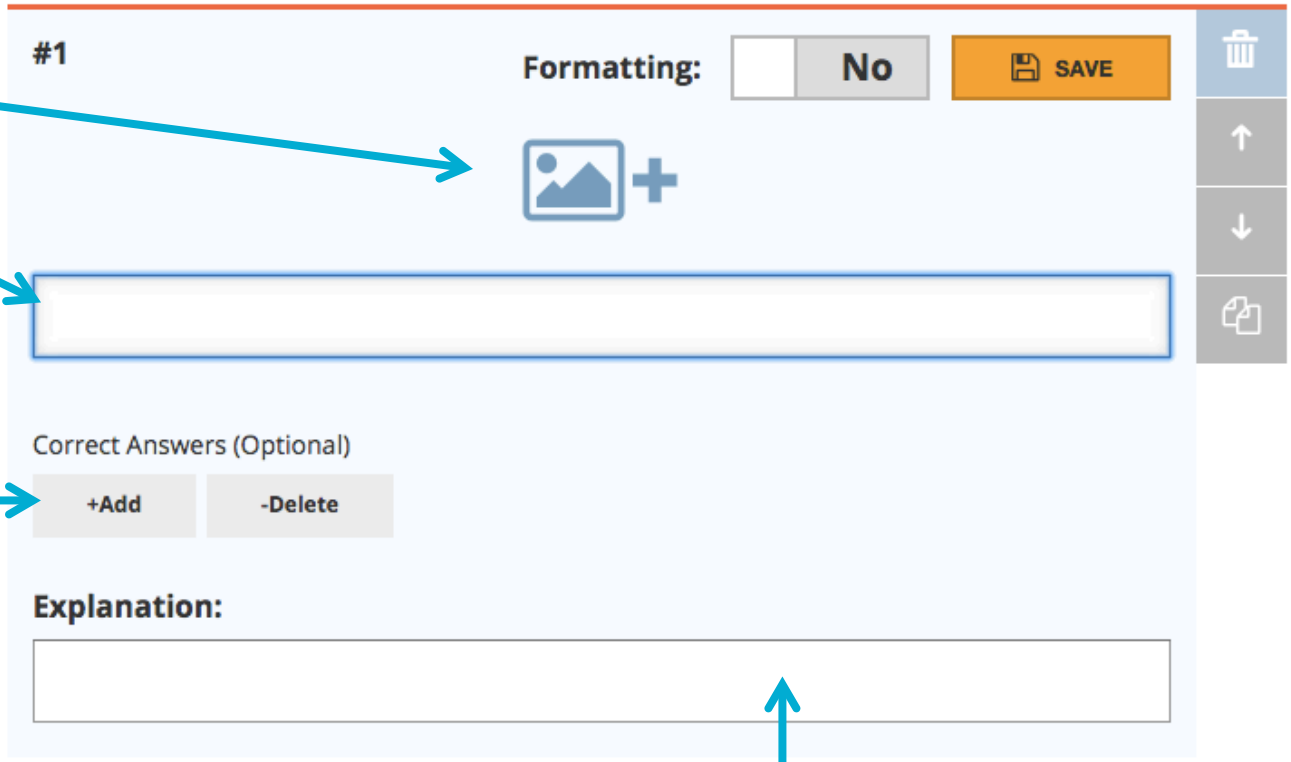
socrative

Select SHORT ANSWER to add a Short Answer question to your quiz.

Optional:
Add an image to the question.

Enter the question text

Optional: Add or Delete answer choices. If you decide to add correct answers Students must enter one of the exact terms you added. (This is not case sensitive.)

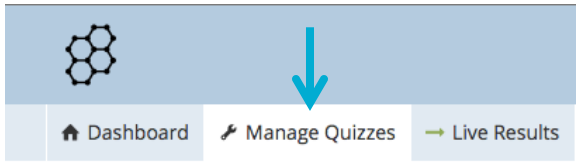


Optional:
Add an Explanation of the correct answer. This will display with immediate feedback.

My Quizzes

socrative

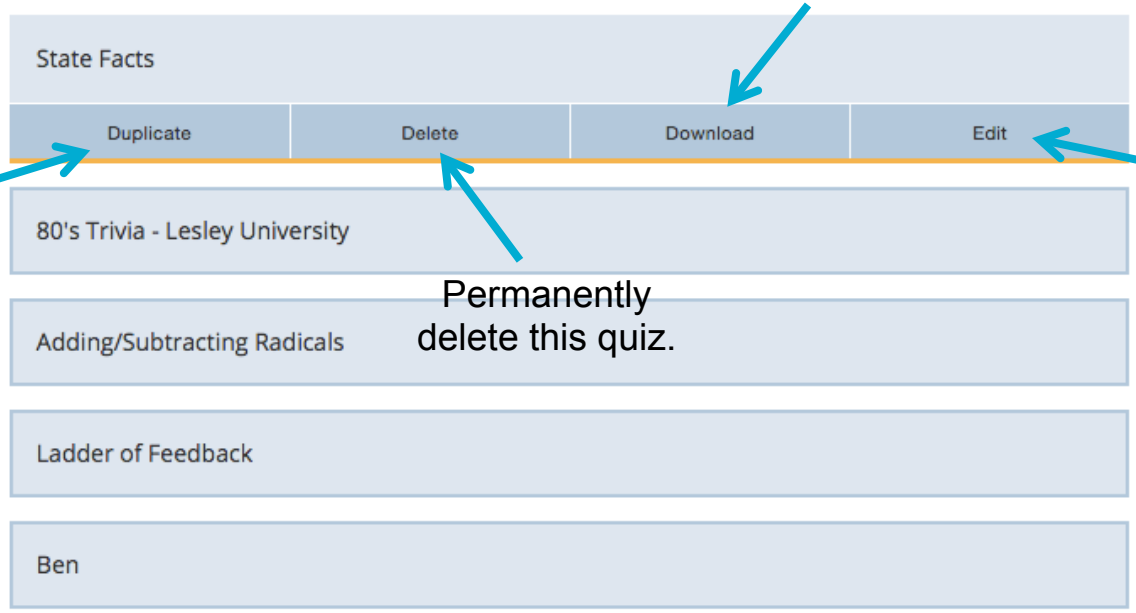
Select:



Select "Recent" to see your five most recent quizzes. Select "All" to see everything!

Select a Quiz

Download a printable PDF of this quiz.



Make a copy of this quiz.

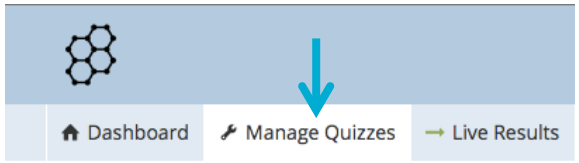
Permanently delete this quiz.

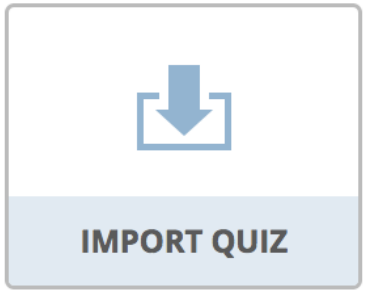
Edit this quiz.

Import a Quiz

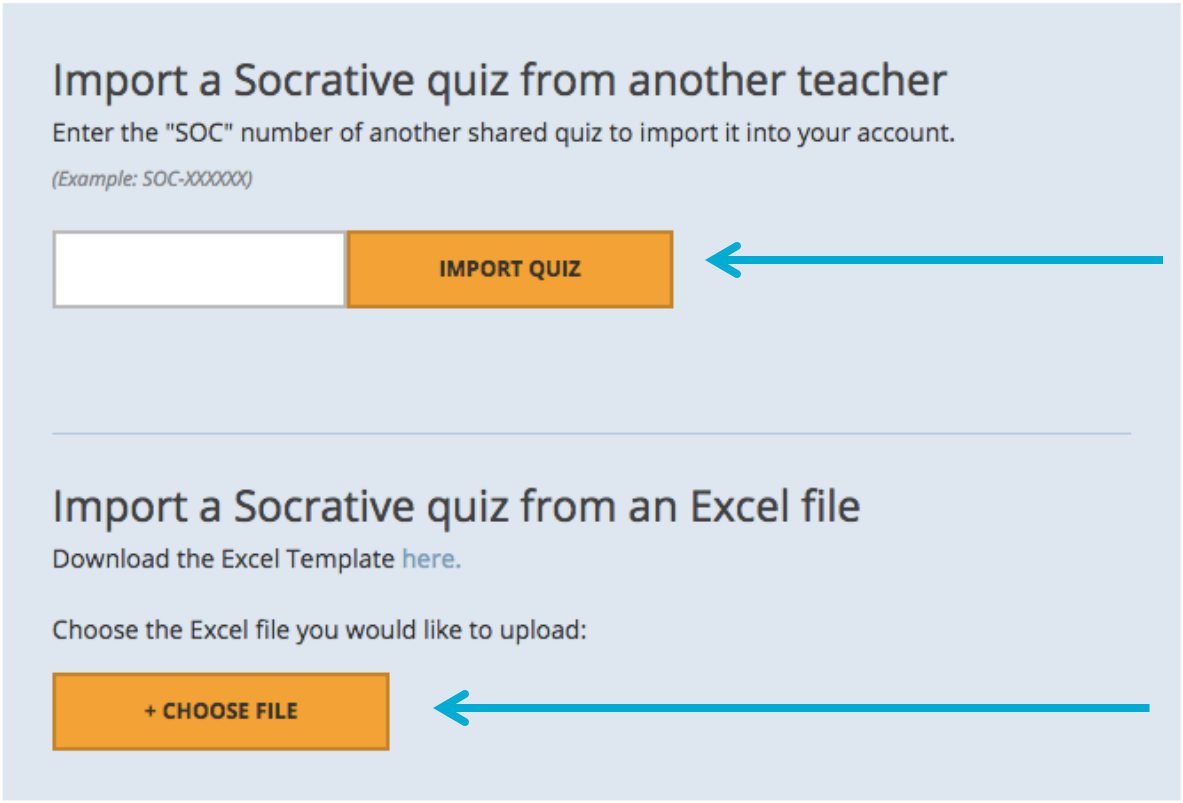
socrative

Select:





Import a Quiz from a colleague or a member of your Personal Learning Network.



1. Enter the SOC code into the box
2. Select “Import Quiz”
3. Instantly available in your “My Quizzes” list

1. Download and complete the Excel template
2. Select “Choose File”
3. Locate the excel file on your computer
4. Instantly available in your “My Quizzes” list

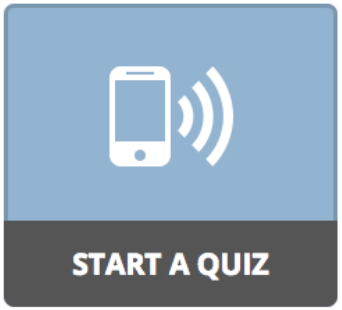
All Imported quizzes can be edited once you’ve imported them to your room. These edits will not effect the original quiz.

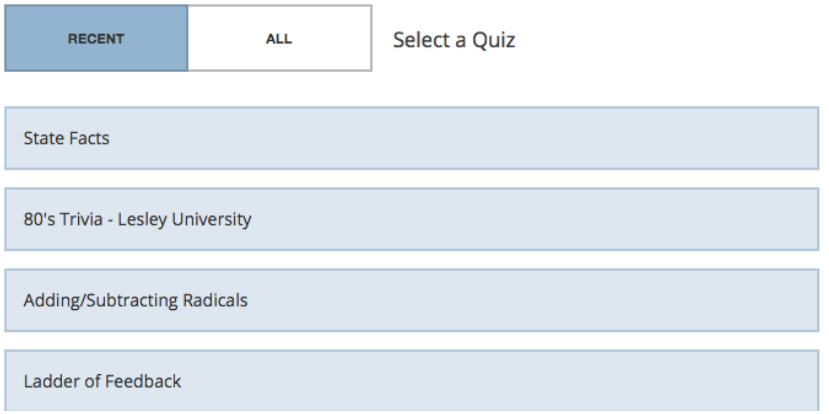
Run Quizzes & Reports

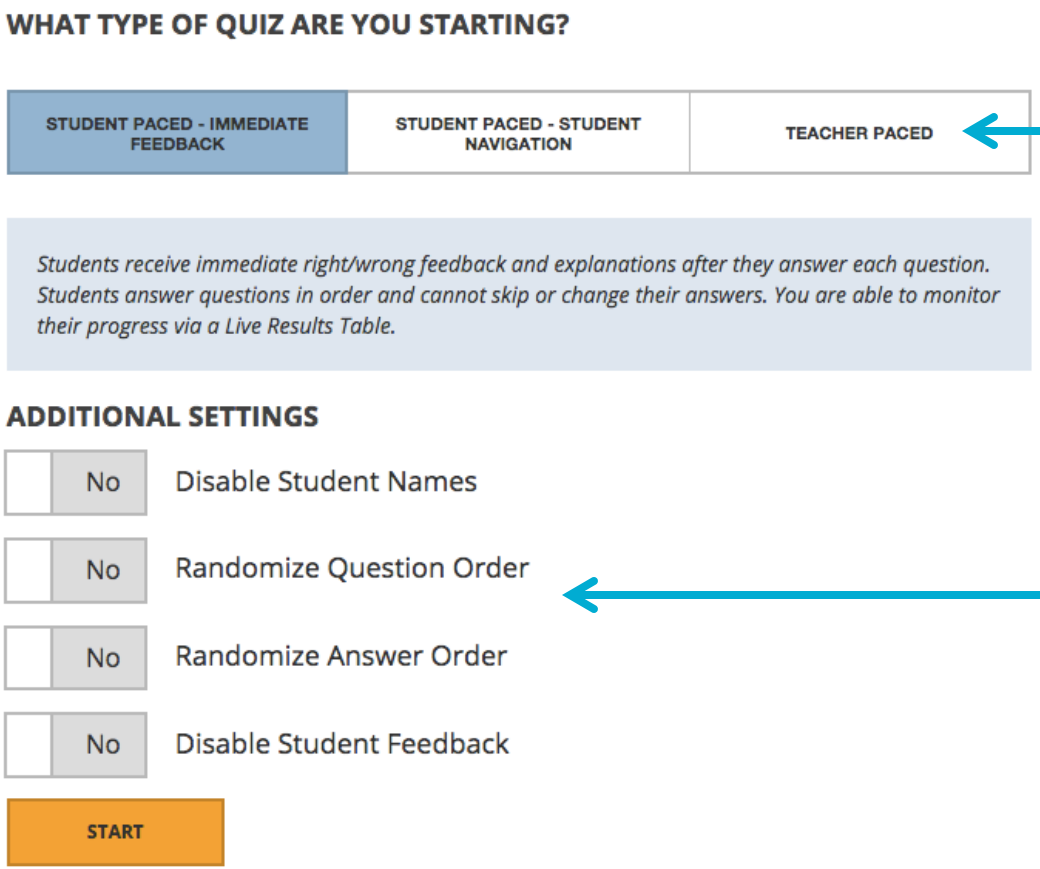
Start a Quiz

socrative

From your Dashboard, select “Start a Quiz”







Choose Quiz Type:

- Student Paced – Immediate Feedback
- Student Paced – Student Navigation
- Teacher Paced

(Learn more by reading the description beneath each setting.)

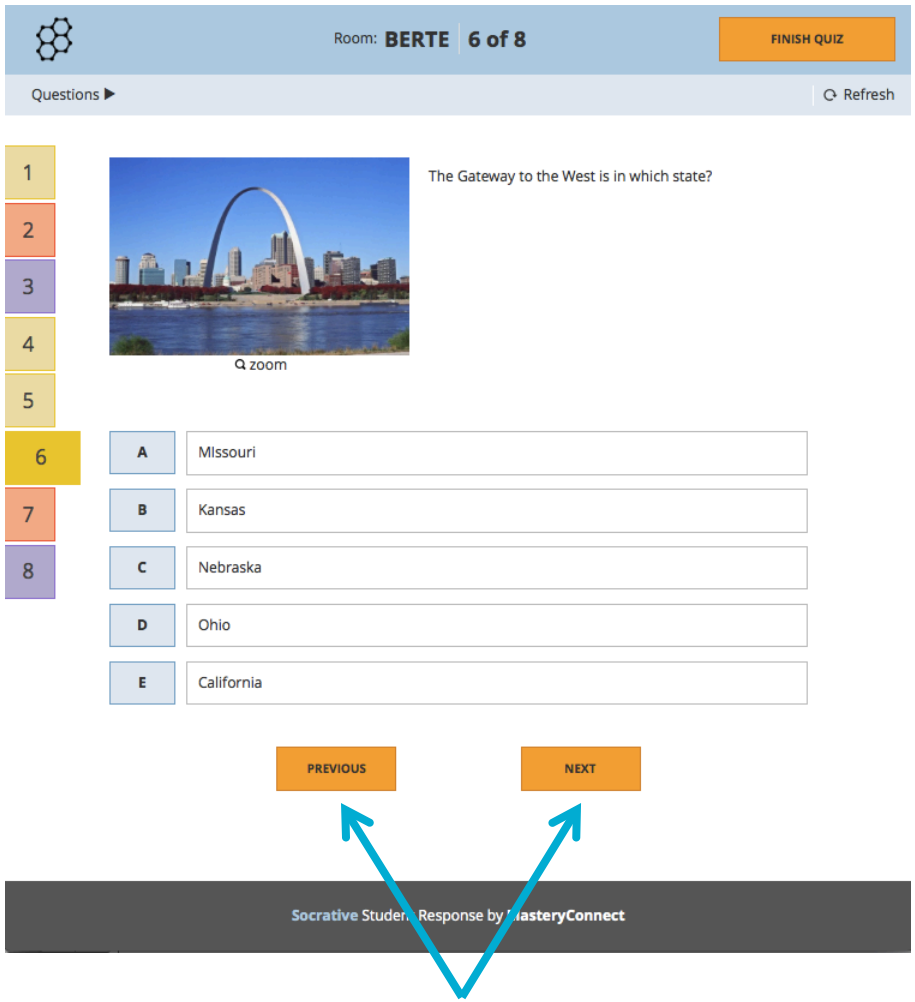
(Optional) Choose Additional Settings:

- Disable Student Names (Responses are anonymous)
- Randomize Question/Answer Order (Questions/Answers appear in a random order for each student)
- Disable Student Feedback (Students will not know if they got the question right or wrong during the quiz.)

Student Paced Quiz - What Students See

socrative

Students can navigate to any question at anytime. Answer, skip, review or edit - it's their choice!



Students select "Finish" to submit the entire activity to the teacher.

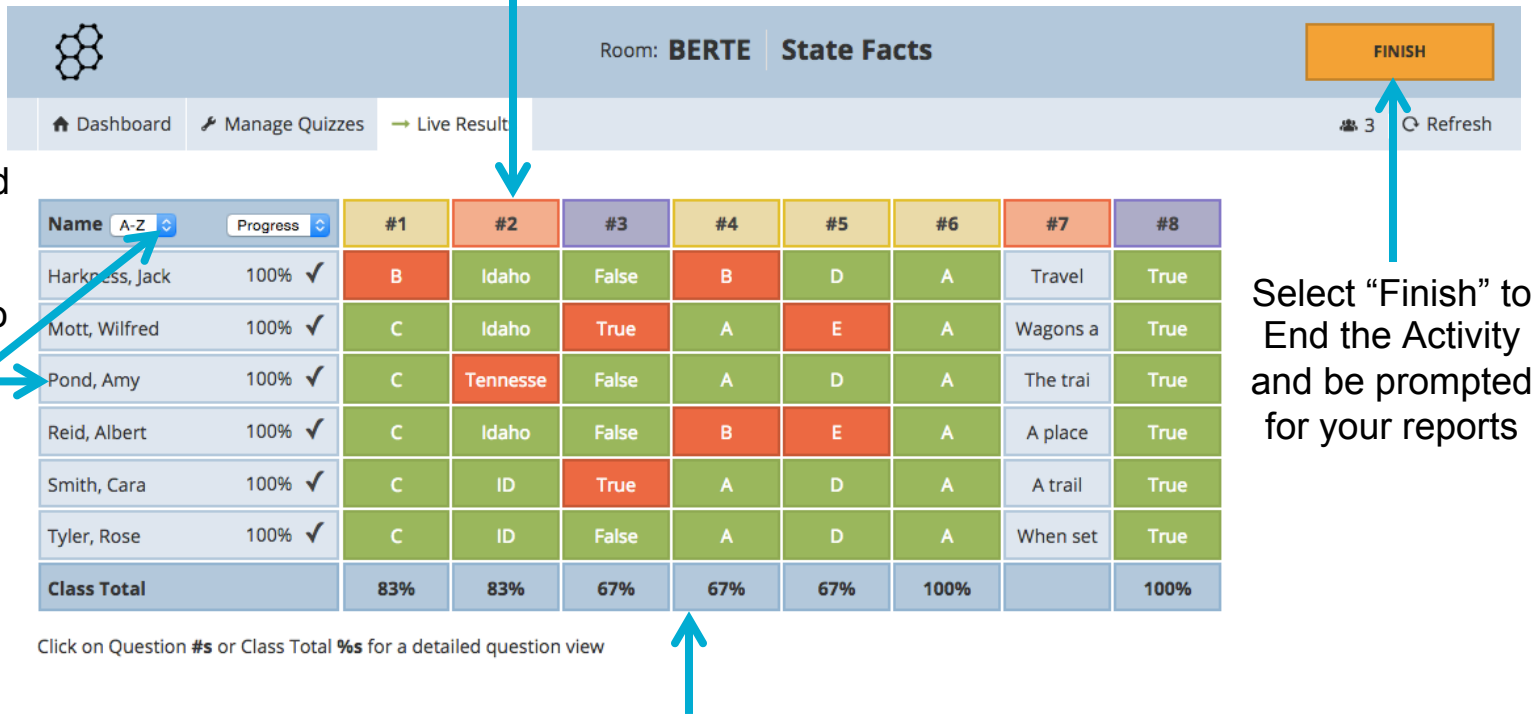
Students can navigate through the quiz one question at a time, forwards or backwards.

Student Paced Quiz - What You See

socrative

Click a question to see the results for that specific question.

Student names and current progress. Sort by name or change progress to score via the toggles.



Select “Finish” to End the Activity and be prompted for your reports

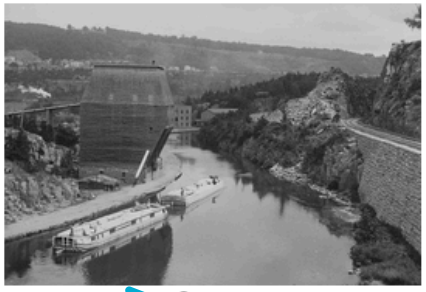
Class % correct for each question. Click on the field to go to a detailed view of the question

* Results will constantly refresh as students navigate through the quiz!

Teacher Paced Quiz - What Students See

Students will see the question with answer choices below:

The image you uploaded when you created the quiz



The Erie Canal is found in which state?

The Question Stem

Students can click to zoom in on the picture

A	Panama
B	Connecticut
C	Michigan
D	New York
E	Pennsylvania

When a student selects an answer choice it will turn blue

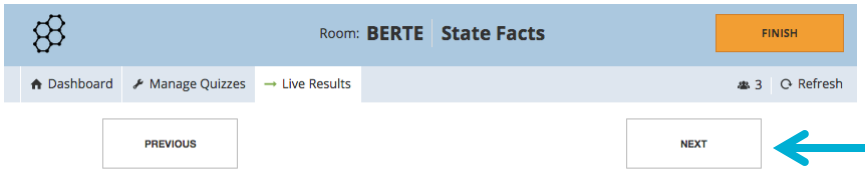
SUBMIT ANSWER

Students select “Submit Answer” to send their choice to the teacher. Students will then see the “Waiting for Teacher” screen.

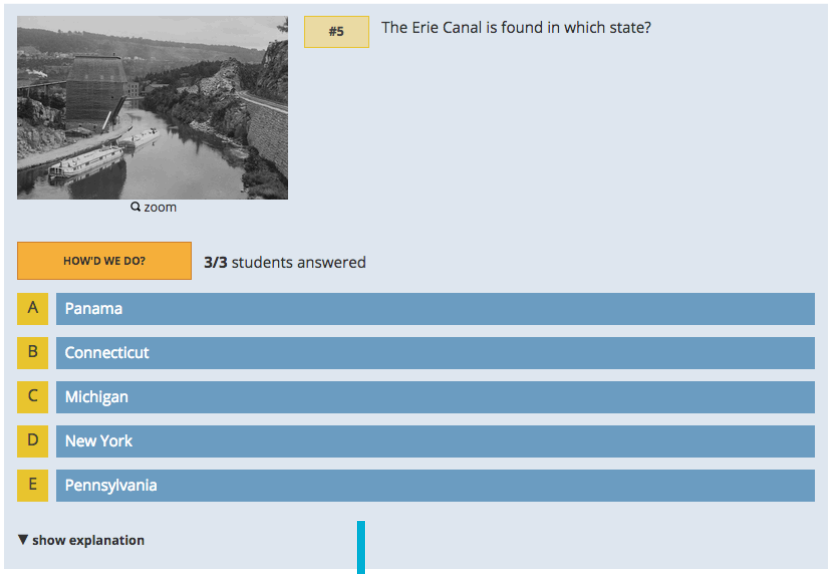
Teacher Paced Quiz – What You See

socrative

Your screen will show the current question that your students are responding to:

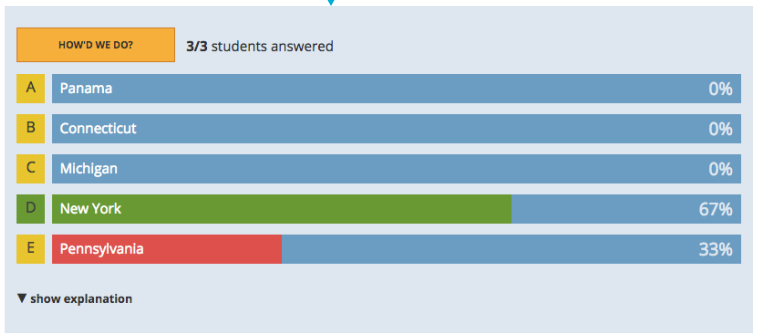


Select “Previous” or “Next” to send the class a different question



Select “How’d we do” to show/hide student data (see below)

Show/hide your pre-written question explanation



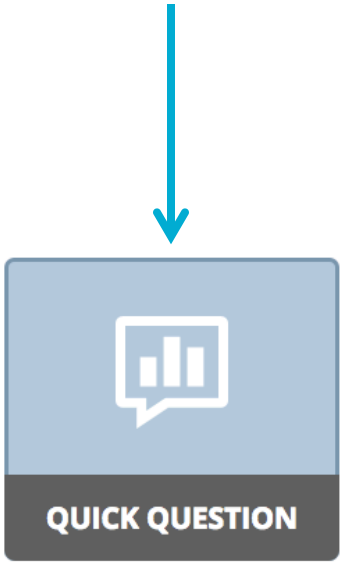
The correct answer will be highlighted Green. Each answer will show % of students who selected that answer choice.

Quick Question

socrative

Send a Quick Question in just 2 clicks!

1. Select “Quick Question” from your Teacher Dashboard.



2. Select the question type that you want to send to your students

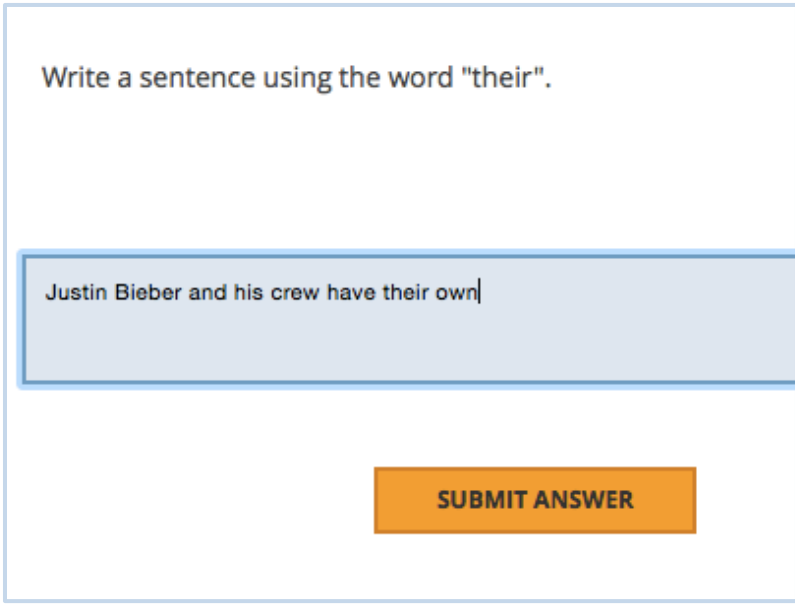
Permanently Remove a Student Answer

Student View
Type in your Answer then select "Submit Answer"

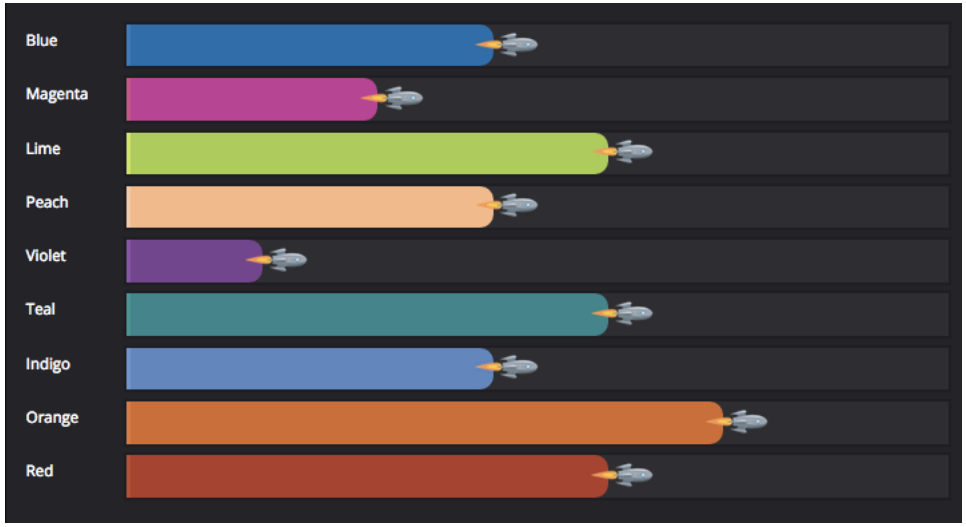


Space Race

From your dashboard, select “Space Race”

Choose a Quiz, Number of Teams, Assign Team Colors and Disable or Enable Immediate Feedback, then “Start Activity”.

Watch the Rockets race as students work individually or in teams to answer questions!



Exit Ticket

socrative

Select “Exit Ticket” from your Teacher Dashboard:

Students will be sent the pre-set 3 question formative assessment:

Enter Last Name, First Name (pop–up box)

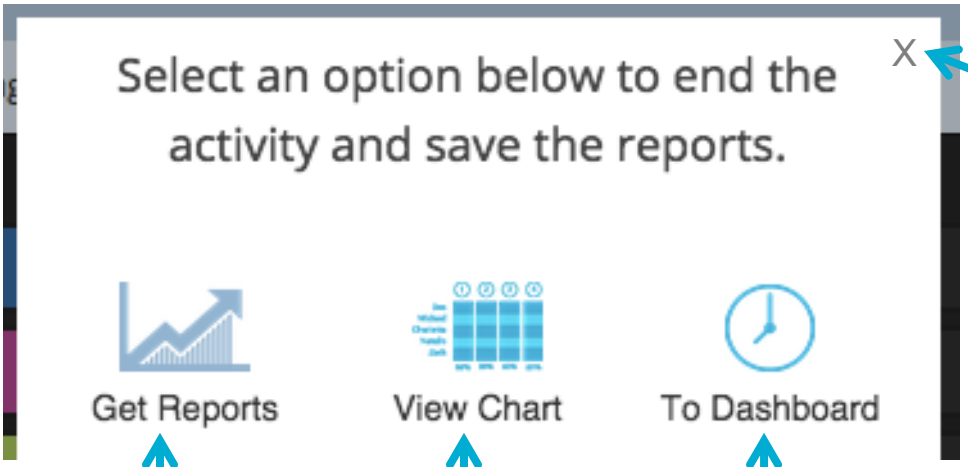
1. How well did you understand today’s material?
   A. Totally got it.
   B. Pretty well.
   C. Not very well.
   D. Not at all.

2. What did you learn in today’s class?
(Opportunity for students to put in their own words the main takeaways from class. Your opportunity to make sure they recognized all your learning objectives.)

3. Please answer the teacher’s question.
(Opportunity for you to ask any question that’s relevant in the moment)

Reports

Once you've completed an activity select **FINISH**



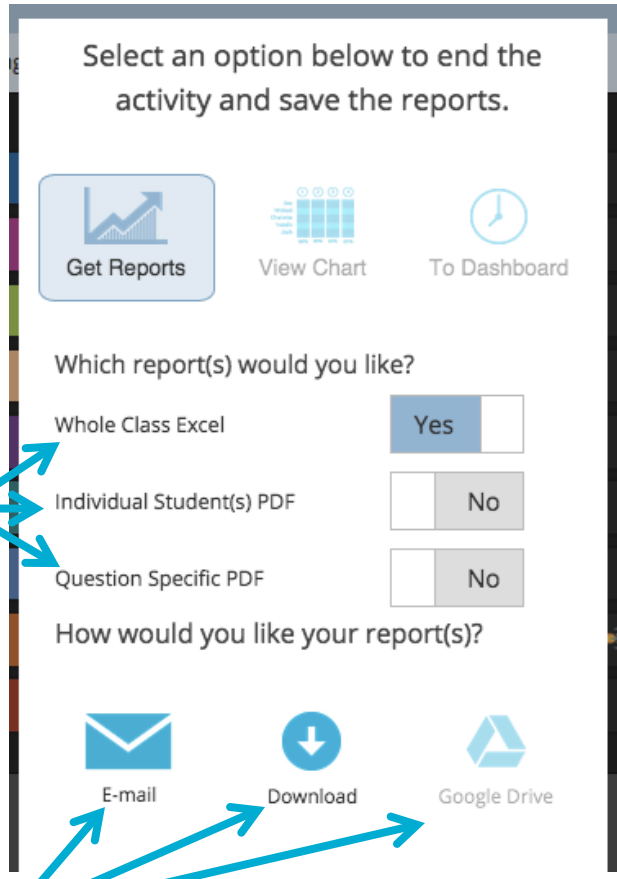
Press "X" to return to the activity

Opens Reports drawer (see to the right)

End activity but return to the live results data view (The report will still be in "My Reports")

Don't instantly receive a report. (The report will still be in "My Reports")

(Reports Drawer)



Select Report types

Choose the method for delivery. (Google will be lit up if you signed in via Google.)
