

RAÚL BALTA

La Despertà, La Cridà, La Xocolatà

LA DESPERTÀ

La Despertà is one of the acts that most **Falleros** like, and also one of the most hated by many neighbors. Why? Because it is based on **Fallas** is a party to not sleep, as it is enjoyed day and night. And so that people do not sleep, the **falleros** at 8 in the morning, every day of **Fallas**, throw firecrackers accompanied by their band all over the neighborhood: that's the awakening. With her it is tried to obtain that the whole district wakes up to enjoy from first morning of the **Fallas**, strolling to see the monuments that there are by the streets, or to participate in acts that from the 8 in the morning they organize many **falleras** commissions . Some even throwing a bomb at the door of their house wake up, especially those who have not slept all night enjoying the party, but try.

LA CRIDÀ

- ***Las Fallas 2019*** begins with this traditional act that usually starts from very early, with a macro ***despertà***. From the street of ***La Paz to the City Hall of Valencia***, the ***falleros*** will be warning of the start of the party, which will continue throughout the day with Entrance of Bands of Music and the ***Mascletà***.

LA XOCOLATÀ

Living ***Las Fallas*** with children means enjoying all the traditions. One of them is to take a chocolate with pumpkin fritters. ***La Xocolatà*** is one of the great pleasures enjoyed by the family during the ***Fallas***.

To drink a good chocolate you should know that during big days, the city is flooded with street vendors. In all of them you will be able to taste this unique pleasure.
