

## OPEN LESSON POETIC SPRING

5 juny 2019

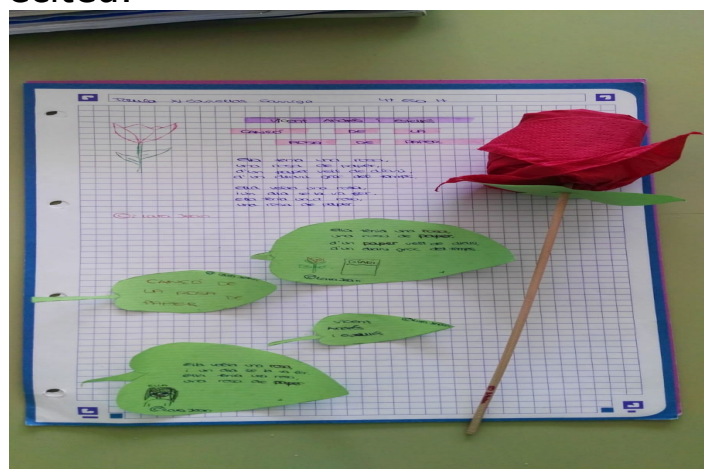

All started in the throwing of poetics seeds in the playground.

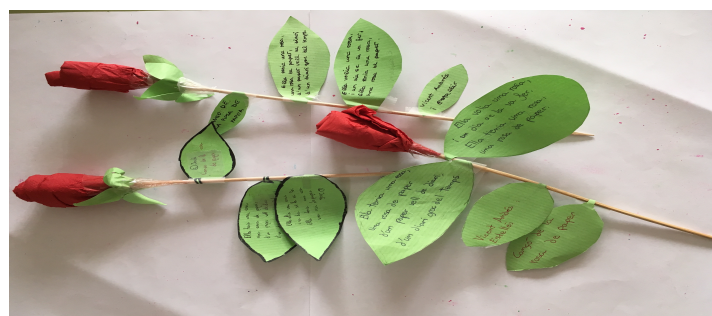

With the recolected seeds the children made a visual poem. The choosen words were: walker and sea (for the poem of the area of spanish).

The poems were written and recited.

The poem was worked in the areas of Spanish and Catalan. After they were recited the same children elaborated a chart for evaluate the representation of all the participants.

The experience in all activities was very positive and the results as well. Many aspects worked very funny.
