PRESENTATION OF POLAND

As part of the Erasmus project to carry out in English class we were able to communicate with Polish and Slovenes.

Dans le cadre du projet Erasmus réalisé en classe, nous avons pu communiquer avec des Polonais et des Slovène

Poland is located in the east of Germany

We have a lot of castle like Wawel's castle in Carcovie

The capital of Poland is Varsovie, and it's populations is officially estimated at 1.8 million. Varsovie is also the largest city in the country and the 8th largest in the European Union.

It's nicknamed "the Phoenix City" because it has succeeded in rising from it ashes after 84% of its buildings had been destroyed during the Te Second World War.

La capital de Pologne est Varsovie, et sa population est officiellement estimé a 1,8 million. Varsovie est la plus grande ville du pays et la 8^{ème} plus grande de l'Union Européenne.

Elle est surnommé « la ville Phoenix » car elle a réussi a renaître de ses cendres apres que 84 % de ses batiments ai été détruit durant la Seconde Guerre Mondiale.
