We come from Evia Island, Greece

Erasmus+KA19 2017-18 "Generazione Web Europeo" 2017-2020
Code number: 2017-1-IT02-KA219-036828

We live in Aliveri

Aliveri is a small town of 10.000 inhabitants

It is located in a very nice spot of Evia Gulf that was developed as an industrial area

It is the capital of the Municipality Kymis-Aliveriou

This is the picturesque harbor of Aliveri, Karavos

Our region has many small beautiful harbors and beaches

Kalamos

Cheromili

Archabolis

This is our school

It is located on a hill

in the entrance of Aliveri

2nd GEL Aliveriou

- It is the 2nd Upper Secondary School in Aliveri.
- The students come from rural areas and small villages from the surroundings of Aliveri.
- They wake up very early in the morning and travel several kilometers by school buses to be educated.
- Some students come from disadvantaged socio-economic families.
- Because of the prolonged economic crisis in Greece, many families face financial problems.
- There are also minimum immigrants and some student with special needs (mostly dyslexia).
- Our school is co-located with the Vocational School (EPAL) and the Second Chance School.

2nd GEL Aliveriou is a day Public Upper Secondary School

In Greece students have 2 choices in Upper Secondary Education; they choose between General education and Vocational training.

- Our school is a General Lyceum with 125 students and 18 teachers.

Students attend a three-year post-compulsory education.

- The second year of the General Lyceum allows students to specialise within one of two option streams,
 - 1. Humanities & 2. Science, IT & Health Studies
- The third year they specialise within one of three option streams,
 - 1. Humanities – 2. Science and 3. Economics and Informatics.

There is also a common core of General Education:

- Religious affairs - Modern Greek - Greek literature – History – Biology - Foreign language - Mathematics - Social sciences history & Physical Education

School starts at 08:25 and finishes at 13:40
