In the afternoon there is the visit to Orte historical centre.
The students are divided into two groups.

GROUP A - 1, 2,3,4 and Italian – Greek teachers

GROUP B – 5,6,7,8 and Dutch – Spanish teachers

- **10th April, Wednesday**

Students work at school in the morning hours.

By using a mapline, they localize the sites they are going to visit.

Then they choose the mode (video, presentation, brochure etc..) by which they want to realize their work.

After that, they start planning the tourist packet.

In the afternoon students go trekking and visit Pierpaolo Pasolini Tower and the Etruscan Pyramid.

- **11 th April, Thursday**

Visit to Florence and Uffizi museum

- **12th April, Friday**

In the morning students go on with their work; they have to focus on the sporting activities that can be practiced, the accommodation facilities and the restaurants or other places to try local food. After the break, they have to work on the proposal of alternative new sports activities that could be practiced in a certain area.

In the afternoon there is the trekking activities at Marmore Falls.

- **13th April , Saturday**

Visit to the Park of Monsters in Bomarzo.

After a light lunch, from about 1,30 pm, students conclude their works.

At about 4,30 pm they return to the hosting families.

At about 7 pm: farewell party and the presentation of the product to the families and to all the audience.
