Video conference with an expert

On Thursday 07 March 2019 we had a Video conference at school with an expert from ΣΕΝ on Social Entrepreneurship

The 7 Principles of Social Enterprise according to the expert Mr Panos Giousmas

- The social goal is to fight against poverty and problems that threaten people and society, not maximizing profit.
- It aims at financial sustainability, not charity.
- To the investors is reimbursed only the amount of the investment.
- When the amount of the investment is reimbursed, the company's profit remains in the company for expansion and growth.
- Environmental consciousness.
- Market salary with good working conditions.
- It happens with pleasure.

Κοινωνική Επιχειρηματικότητα

7 Αρχές της Κοινωνικής Επιχείρησης

- ✓ Ο κοινωνικός στόχος είναι η αντιμετώπιση της φτώχειας ή των προβλημάτων που απειλούν τους ανθρώπους και την κοινωνία, όχι η μεγιστοποίηση του κέρδους.
- ✓ Στοχεύει στην οικονομική βιωσιμότητα, όχι στη φιλανθρωπία.
- ✓ Στους επενδυτές επιστρέφεται μόνο το ποσό της επένδυσης.
- ✓ Όταν επιστραφεί το ποσό της επένδυσης, το κέρδος της εταιρείας παραμένει στην εταιρεία για επέκταση και ανάπτυξη.
- ✓ Περιβαλλοντική συνείδηση.
- ✓ Μισθός της αγοράς με καλές εργασιακές συνθήκες.
- ✓ Γίνεται με ευχαρίστηση.
