About the host family and the daily life.

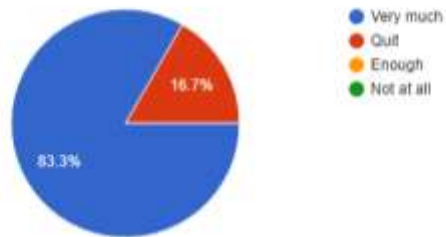

How satisfied are you about the student you are matched with?

6 responses

How satisfied are you about the host family?

6 responses

What do you think of the daily routine in your host family?

6 responses

The daily routine was good

I like it very much

Their routine life is normal

it was good

it was a normal daily routine just like in Greece

The daily routine in my host family did not make much difference with mine. In the morning we woke up, have a breakfast and we are gotten ready for the school. In the afternoon we aet all together and we played board games.

What can you learn from your host family and their habits?

6 responses

To have program

I can learn better communication that will help me in my life

Their lifestyle is not stressing as ours so I learned to take things easy

to be organised

how to be more organizing with my room

From my host family i learn that is important to spent time with your family

What are the differences compared to your family?

6 responses

In my family we have more freedom

The main difference is about the type of food and the time of dinner. They eat a lot of vegetables and they have dinner at 6:00. In my family we have dinner at 8:00

We eat different hours and we have more intense routine compared to theirs

the times of the dinner

they do not have the pressure of the crisis

The only with my family was that the afternoon good we aet all together

What could you learn them?

6 responses

How not to be so serious

I could learn them the culture of Greece

I could teach them about our cuisine and our different culture

our habits

The greek cousine

I could learn them about Greek tradition

About Hoogeveen and the surroundings

What do you like about Hoogeveen, the school, ect.?

6 responses

The center , the school

I like the buildings of Hoogeveen, the bikes and of course the school

I liked the nature the and the well-structed buildings and houses

the center and the organisation

the best think in Hoogeveen and the school was that there are so many things and lessons to see, and that they very organizing.

I leked the organization and tranquility that prevailed every where

What would you want to improve?

6 responses

Nothing

I would not improve anything as it was perfect

nothing

Nothing everything was perfect.

I would want to improve is bicycle roads, because there are not enough bars to climb and down the bikes

About the project

What is the best thing you experienced on the 1st day (Monday) - travel day?

6 responses

The best thing was that I tried not to be shy

We played family games

I met new kids and new teachers and I liked the activity that the teachers had prepared

the meeting with the family

The best thing about the 1st day was the flight in the airplane because I have never been in a plane before.

The best experience of the travel Day was when we arrived to the train station and we met our host families

What is the best thing you experienced on the 2nd day (Tuesday) - start project meeting ?

6 responses

Knowing the other students

The meeting with all the kids and teachers in school

I liked the activities

the meeting with the children and the co-operation

The best thing about the second was that I made new friends from all the countries and that I saw the school and the center of Hoogeveen.

The best experience of the second day was the first meeting with the group and the of General knowledge

What is the best thing you experienced on the 3rd day (Wednesday) - project meeting/Kamp Westerbork?

6 responses

The Kamp Westerbork

The kamp westerbork was very interesting

I loved the museum and I saw their monuments

the Kamp Westerbork

The best thing about the 3rd day was that me and my group start making our project and that we saw the Kamp Westerbork and movie about it.

The best experience of the third Day was the meeting with my project group and the excursion in Kamp Westerbork, because I learned about some very important historical events

What is the best thing you experienced on the 4th day (Thursday) - project meeting/Wildlands Emmen Zoo?

6 responses

The Zoo, it was amazing

The rollercoaster

I really liked the zoo and the colourfull butterflies they had

the Wildlands Emmen Zoo

The best thing about the 4th day was that me and my group make some progress with our project and that we went to the Wildlands Emmen Zoo and having so much fun watching the animals and going to the roller coster.

The best experience of the forth day was when i started with my project group to work for the final product and the excursion in Wildlands Emmen Zoo where was a roller coaster and we had a lot of fun

What is the best thing you experienced on the 5th day (Friday) - last project meeting/preparation/De Bonte Wever,?

6 responses

The days at the swimming pool was the best day . The swimming pool was amazing too

The pool was perfect

The swimming pool was great and had many activities to participate in

the swimming pool

The best thing about the 5th day was that me and my group finished our project and that we went to the De Bonte Wever and having fun with my friends in the swimming pool.

The best experience of the fifth day was the presentation of our projects, because I saw how the other groups worked the whole week and the excursion at the De Bonte Wever, because I relaxed in the hot pools and I swam

What is the best thing you experienced on the 6th day (Saturday) - Visit to Amsterdam?

6 responses

The free hour in Amsterdam was the last best hours

I loved the whole place

Amsterdam was a place that I wanted to visit from the first place and I was amazed at how big it was

the amazing Amsterdam and the party

The best thing about the 6th day was the Nemo science museum because we saw many interesting things. Also me and my friends saw the Amsterdam and after that we went to a party at school and we had so much fun by eating food, listening to music and dancing.

The best experience of the sixth day was the visit to the sience museum, the small crouise in Amsterdam 's canals and the walk in the city center. The culmination of the Day was the party, because we danced and we all had fun together

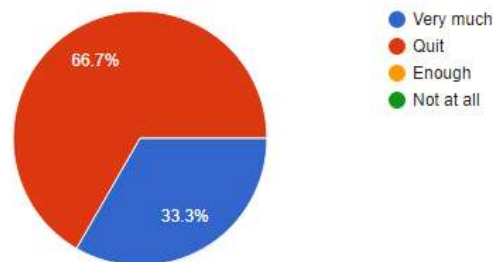

What is the best thing you experienced on the 7th day (Sunday) - Family day/travel day?

6 responses

The last breakfast we ate all together
It was sad because I left all the friends from other countries beside. There is not best thing I think
I did not really liked that day as I had to say goodbye to my hosting family
the launch we ate all together
The 7th day it was a sad day because we didn't want to leave from Hoogeveen but it was also a good day because we were all together for one last time and say goodbye and that we will meet again.
The best experience of the last day was in the train station, because I said goodbye to my friends and I realized how nicely i spent this week

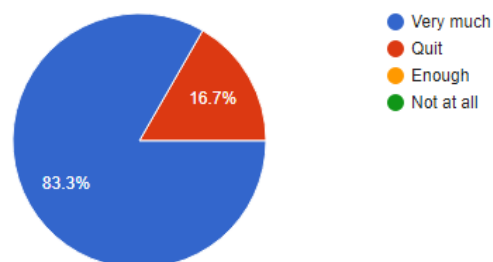

Were you satisfied about your product?

6 responses

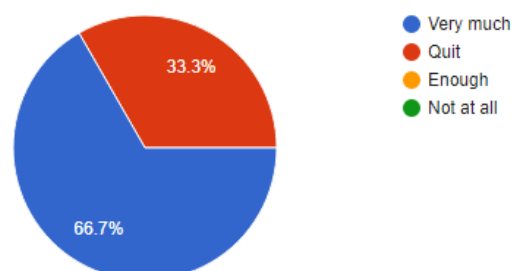

Were the project and the corresponding activities clear?

6 responses

Were you satisfied about the group you worked with?

6 responses

About yourself

What did you learn this week?

6 responses

How not to be shy , how to work with a program

I learn a lot about life in Hoogeveen

I learned to cooperate and associate with other children and I practiced my english

how to co-operate

To working in a team and about life in Hoogeveen.

This week i learned that is importan to cooperete in a project

What did you learn about yourself this week?

6 responses

That I can do more things than I believe I can

I don't know

I learned that I am not afraid of plains and I can cope being away from my country and family

that i am more outgoing than i believed

I learned that family is not only your parents or your brothers, family is the people that making you feel like home and love you.

This week i learned about myself that i am very stubborn and organizational

What did you like most?

6 responses

The day at the swimming pool

Amsterdam

I liked pretty much everything

the amsterdam

The swimming pool.

That i liked most was the walk in the city center of Amsterdam

What didn't you like?

6 responses

I would like to be more out , at the centre!

I like all activities

I do not have anything to say because I liked everything

the food

Nothing, I loved every moment in Hoogeveen.

That i did not like was the excursion in Kamp Westerbork, because there was not so much to do just to hear

What was the most valuable thing this week?

6 responses

The connection between all the children

The communication

I loved my host family

the friedship with the children

That I make new friendships with kids from other countries.

The most valuable thing this week was the excursion in Nemo, because I learned a lot of things for sciences

What would you change the next time? It can be about all the things this week.

6 responses

Maybe nothing

Nothing

I would change the time of the activities as they took so long and we were tired

to be hosted from older children

Nothing.

The only thing that i would change is the free time we had in the city center

Please make notes of the meetings and write a report for the website.

2 responses

It was fantastic and I would do it again

The meetings was very intresting because I learned so much interesting things and also I loved the week in Hoogeveen and the family that host me and also all the kids from every coutries because we now on we are a big family.
