Hitachi Capital Mobility

# Opening hours & Admission

The stadium is only open when there is a soccer match.  
Usually the robots play at the weekends.  
And if it rains, the roof can close.

Children from 0 to 4 and disabled people: FREE

Children from 5 to 12: €10

Above 12: €15

Seasonal tickets: €60

# Accessibility

There is going a shuttle bus from the Emmen station to the stadium.

And there are parking spaces for cars at the stadium, which cost €1.50 per hour.

You can also come by bike, because there are guarded bicycle places.

Disabled people get a special place at the top of the stadium. And they can go there with the elevator.

# Foods & Drinks

There is a restaurant next to the stadium and in the stadium you can also buy food and drinks.

In the stadium you can buy snacks and drinks.

In the restaurant you can have dinner, lunch, drinks and snacks.

# Climate-friendly

We use eco-friendly, alternative materials to build the robots. And the robots are charged with solar panels that are on the roof.

# Sub groups

Its suitable for every sub group. But for kids from 0 to 4 years, its less suitable. And for them, there is a playground at the restaurant.

And for disabled and old people there is a elevator they can use.
