

Workshop - Gender Equality

Objectives

- to raise awareness about Employment (in)equality and access to job for women with high-level responsibility
 - to promote the equality between women and men
-

Implementation

- The school community (teachers/students) was invited to participate at a debate on workshops
 - Subjects: History /Philosophy/ Psychology
-

Results / impact

- The works were presented to the school community in posters at the school's Erasmus Corner and on project Facebook page
