

# Women in Romanian History

---

## Objectives

- to know important women in several fields and their role in Romanian society
  - to raise awareness about the marginalized women
  - to promote the equality between women and men
- 

## Implementation

- The school community (teachers/students) was invited to participate at a debate on workshops
  - Subjects: History /Philosophy/ Psychology
- 

## Results / impact

- The works were presented to the school community in posters at the school's Erasmus Corner and on articles / ppt presentations in school newsletter
