

Newspaper article

Objectives

- Discovering the world of journalism
- Developing writing skills
- Learning about French women during WWI

Implementation

- Subjects: History / French
- Students get in touch with a newspaper office to be able to publish an article.
- With their History teacher, they visited an exhibition about WWI (at the Peace World Centre in Verdun). With their French teacher, they learnt the codes of journalism and how to write an article.

Results / impact

- Article published in a newspaper « La guerre, une délivrance pour les femmes ? »
