ERASMUS PLUS PROJECT "LOCAL INITIATIVES IN THE EUROPEAN VILLAGE".

Try to answer to this questionnaire as honestly as possible. We would like to know your opinion to take note of it and then improve the quality of our future mobilities.

1. Did you like the program of activities? Why? Why not? Would you include any other activity?

2. How was the family's welcome?

3. Describe some positive and negative aspects (if there is one!) of your accommodation.

4. Do you feel satisfied with the Spanish mobility? Why? Why not?

5. What have you learnt from our culture, traditions, routines?

6. As a conclusion, how would you describe the Spanish mobility?
