Main definitions and targets of the Land Art principle

- *Land art is an art movement that emerged in the 1960s and 1970s. As a trend "Land art" expanded boundaries of art by the materials used which were only provided from the nature and the siting of the works.*

Leaves, sticks, stones = Land artworks

Land Art in Festivals

- *Land Art is also a main attraction of many events such as Taoyuan Land Art Festival, Tulza, Archstoyanie or Waha.*

- *Archstoyanie, Russia's biggest Land Art and architecture festival*
