In response to your online advertisement, I wish like to apply for the position of first aid doctor.

As you can see from the enclosed CV, I got a health biotechnology Degree at C. e N. Rosselli High School.

I have gained ability in medical industry and pharmaceutical sector.

For the last two years, I have been working in Lax's Veterinary Clinic.

This experience gave me responsibility, sense of cooperation and ability to relate with customers.

The main reason I am interested in this post is that I want to help people in mortal danger and be helpful.

I'm an active, hard working and determined person.

I hope my application will be considered favourably and I look forward to being invited to an interview.

Your faithfully,
