Common European Framework of Reference for Languages

Communication skills

I'm confidence with myself when it comes to communications like giving a speech to public or friends and co-workers, thanks to my personal experience gained throughout years.

Am 100% sure that i can perform extremely well when it comes to communication skills.

Organisational / managerial skills

I've a good exeperience of organising, because of the skills i gained being a leader of a 10 men team and i always give a good motivation speech just like a good leader should do.

Job-related skills

The thing i gained throughout time spent here on earth is my ability to cooperate with my work-mates(team work), taking time to understand where there are mistakes and solve them, with accuracy and consciusness.
