Some.

Ruoka- ja tapakulttuuri, kieli

I know that a lot in Finnish culture (food, language, music etc.) is a mixture of east and west (Russia and Sweden).

We got many cultural traditions, words and food from Sweden and From Russia cause of our history. Long story.

Swedish is still one of our official languages. We have Russian influence in our architecture (especially in Helsinki, but also in Tampere). Coastal Finland has many Swedish traditions. We have a somewhat Slavic mentality.

Itsenäisyys on tärkeää. Joillakin ihmisillä jäi sukulaisia rajan taakse.

Yes, most of the things you mention.

16. What would you like to gain from taking part in this project?

Something practical to touch kids' everyday lives.

Better understanding of how our fellow Erasmus countries have changed through invasion - the role of being an invader or being invaded by others, how it has changed the countries into what they are today.

I'd like to meet new people and share their points of view.

To come to know cultural similarities and differences between other countries.

Tutustuminen muihin kulttuureihin, erilaisiin ihmisiin tutustuminen, uusien tuttavuuksien syntymien, elämysten hankkiminen

Ulkomaisia vieraita kouluumme.
