Yes, food and language too.

Yes.

The invasions had changed a lot of things about culture, food, language, medicine, farming,

Architecture, food, music, farming

In all of the aspects you have mentioned

building, culture, food, traditions, music, language

they brought us their music, some traditions, food etc

They brought us their music, some traditons, food, etc.

Yes. For example, our language is the result of the Roman invasion.

### 15. Do you know of anything that can still be seen or used in your country, which is the result of invasion, for example, buildings, monuments, roads, words, food etc?

11 risposte

Yes, roads, buildings, foods.. (2)

Monuments and buildings

A lot buildings, monuments, words etc.

For example in Toledo I can enjoy the mosque of the christ of the light, or the synagogue of Santa Maria la Blanca as examples of monuments resulting from the invasion

Buildings, monuments, words, food

Toledo is full of remains of the invaders

yes

yes some words, buildings, monuments...etc

Yes, some words and buildings or monuments.

Yes. Some roads or streets follow the same route of Romans'; many bridges and some theaters that Romans built are still used by the people and in some townhouses a heating system called 'gloria' similar to that Roman used to heat their houses still works. One of our most popular musics and dances, flamenco, is influenced by muslims. And our traditional marzipan come form the Arabs too. And we cannot forget that many of our folk tales come from 'Thousand and One Night'
