An aerial photograph of the Roman Amphitheatre in Tarragona, Spain. The amphitheatre is a large, semi-circular stone structure with tiered seating, built into a rocky hillside. In the background, modern buildings and a beach are visible under a clear blue sky. The sea is on the right side of the image.

TARRAGONA

In our city we only have romans monuments

BULGARIAN, POLISH, TURKISH, GREEK, PORTUGUESE CULTURES IN SPAIN
