

ERASMUS+ MOBILITY 4

Torun, Poland - March 27th - April 2nd 2022

Sunday

We left Angers in the morning and after 2 flights and a couple of hours traveling by bus we arrived in Torun to meet our polish partners again. We spent the rest of the night at home.

journey by plane

Monday

We all met at school where we could see all the exchange students again, the polish team gave us a few nice gifts. After, we had a really cool trip to the forest by bike and ate sausages in a campfire. Then we played games all around the forest. In the evening we went bowling which was super fun

Tuesday

We first attended a conference at Torun university, then presented our project and schools. In the afternoon we spent time in the old town, and later had a great party at school. We sang, danced and even watched a football game !

Wednesday

Most of the day we played a board game about running a business. The goal was to fill contracts to earn money. The rest of the day was free. Joanna, Emilia, Sidonie and I ate dinner with a family of ukrainian refugees who prepared us specialities from their country. Then we all played games together.

Thursday

On Thursday we went on a trip to Warsaw. We took the bus and visited the city center in the morning with a guide, then had lunch at a restaurant. In the afternoon we visited a museum about Warsaw insurrection and went back to Torun.

Friday

We first prepared a typical polish dish at home, then met up with Sidonie and Emilia to visit a center about sciences and innovations.

Then we all shared food from our country at school and concluded the exchange week as well as the whole ERASMUS+ project.

We went to a bar with a few people from the exchange, then to a party with a big part of the group to enjoy our last night in Torun.

Saturday & Sunday

We left our polish friends to take our first plane. We landed in Amsterdam and spent the night there in an amazing hotel. The next day we had our second flight to Nantes, and we came back to Angers by bus.
