

MALWINA AUGUŚCIŃSKA

Hi, I'm Malwina and I'm 16. I take part in Erasmus because I love travelling and learning about new cultures. I also really like learning languages. For now I can speak english, some french and a little spanish, but I want to learn much more.

I listen to music all the time. Also I'm addicted to coffee and I'm vegetarian. I like books and movies, any kind of storytelling. Recently I've been into photography and it's becoming my new hobby.

From sports, snowboarding is my all time favourite. Also I've been training swimming for 10 years and this year I want to pass lifeguard exams and go work by the sea. I love the ocean and every water sport.

But most of all I love my friends and to spend time with them, though now during lockdown it's quite tough :////
