

## MORNING

## AFTERNOON

**MON.** We had presentation of the program a breakfast followed by the tour of the school. Then we had two business presentation one about angers and the other about business.

We've made workshops about youth and economic topics. After a long day of work we ate some "fouées" who is angers speciality followed by a little party.

**TUE.** We visit two firms. The first one was the MIN and the second one was Giffard which is a sirup compagnies so we made a little degustation.

After a little picnic we've made a rallye with teams to visit Angers and we meet at the city hall to have a little speech of the mayor and we went to drinks sirup with friends.

**WEN.** For this day we started with a mass in the chapel and after that we made some work around setting up a business in our differents countries.

We've done a badminton tournament and taken a friendship glass to refresh. During the spare time we went shopping and taken drinks to bars.

**THU.** This day we went to the puy du fou to see historical shows so we had to take the bus early in the morning.

We went to see the shows we didn't see in the morning and gone to shopping in medieval village.

**FRI.** We worked a lot to make a presentation of this week like we've recorded and filmed presentation of our work.

We have done assesement of the second mobility with a final word of the Direction. To celebrate and closed the week we've organised a party at my house.
