creative

I really don't know how to start... but lets try! :)

As I said, my name is Leelo, im 16 and I would say im a creative person. I've drawn my whole life. Also I like animals, I have two cats and a dog, but if you ask me, im a cat person! :) I also love music! I love all kinds of genres, but my favorite artist are BTS, Navina, Lora ~~del~~ Rey TJ-beastboy, Mother Mother and Willow. I really can't decide.

In my free time I like to read abt, especially on AO3 a internet platform. I also spent my time on tiktok, or meet my friends. (since Covid cases are low right now). In summer I also like to walk alot with my dog, for example to a lake 3km away.

I really hope to meet new people and make new friends on this exchange, to hear different opinions and learn about new cultures.
