

Summury Torun II

Sunday:

We left by bus from Angers around 8:30 am to reach the airport where we took a first plane to Amsterdam. There we made a change to another plane which went to Gdansk. When we arrived in Gdansk, a driver was waiting for us and took us to Torun.

In the evening, I ate with my family and then we chatted and had a nice time.

Monday:

On Monday morning we all met again, there was a lot of happiness. Then we went for a bike ride to a forest. There we grilled sausages and marshmallows on a wood fire and ate them all together.

In the afternoon, a big game was organized in the forest. It was like an orienteering race in teams and we had to discover the place. After this game we played small games like dodge ball, petanque... then we took the bikes and went back to the school. In the evening we all went to the bowling alley for two hours, it was really nice!

Tuesday:

Tuesday morning we went to the university. And the different schools (Torun, Bremen, France) were presented by the students. Then a summary of everything that happened during Erasmus was made. At noon we ate at the university restaurant, it was very good! Then in the afternoon we had free time, with my pen pal and other students we went to the city center of Torun to visit and store. Then I went back to my pen pal's house to change and go back to school where there was a party.

In the evening, so a party was organized, the school bought pizzas that we all shared, we danced, made a karaoke it was really great!

Wednesday :

On Wednesday we all met at school where we studied how a business works through a game of several hours in which we were self employed and we bought all our necessities...

During the lunch break we met the mayor of Torun with whom we talked about the city but also about the situation of Ukrainian refugees.

In the early afternoon we finished the business game. Then we went back to the city for a walk.

Then I went back to my pen pal.

In the evening we went to her father's house where we met some Ukrainian refugees he is

hosting. They prepared us Ukrainian specialties, it was excellent.

After eating, my pen pal's family and I went to the ice rink, it was really nice. Then we joined other students in town where we had a drink.

Thursday:

On Thursday we left early in the morning to go to Warsaw, the capital of Poland. When we arrived we started with a tour of the city with a guide who explained everything to us. Then we went to a restaurant for lunch. It was a very friendly moment where we laughed a lot.

In the afternoon we went to visit the museum about the history of Warsaw. We had audio-guides which allowed us to really understand.

Finally we came back by bus, and on the way we had a break at the mcdo where we had lunch.

Friday :

On Friday morning, my pen pal took me to the science museum, where we could do some experiments, it was really cool.

Then we went to the school where we had a shared meal to taste specialties from each country, French, German and Polish. Once again we danced together to say goodbye. In the evening, with all the students we met again and we had a party where we all said goodbye.

Saturday :

We left Torun by bus to go to Gdansk around 1pm. When we arrived in Gdansk we took a plane to Amsterdam. Our company cancelled the flight between Amsterdam and Nantes, so they paid us a hotel in Amsterdam with a meal and a breakfast included. It was really excellent and we slept too well.

Sunday:

We left early in the morning to go to the airport where we took a flight to Nantes. Then we took a bus to Angers where we met our families to tell them about this beautiful trip.
