

Kaili Dembek

get to know me :)

welcome

Hi everybody,

My name is Kaili and I'm a student at IV LO im. T.Kościuszki in Toruń. I was born in Montreal and I'm 16. My mother is Canadian, so that's probably why I have such a 'weird' name for a Pole. Currently, I live in Poland, but I'm planning on studying abroad.

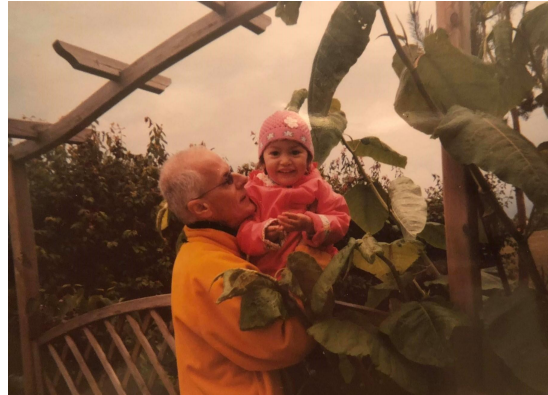

my interests

What are my interests? It's hard to say, because I'm interested in many things, but primarily, I would say economy and fashion. In my free time, I like to read newspapers and books, but also watch Netflix and hang out with my friends.

my family

I have two sisters and one brother and I'm the oldest one. I live with both of my parents in the suburbs of Toruń. My mother's parents and siblings live in Canada and I visit them every year during my summer holidays and my father's family lives here in Poland.

my travels

One thing, that you must know about me is that I love travelling. I've been to 5 continents and about 27 countries. My favourite summer holidays, I've spent in Costa Rica, and as for my winter holidays, I love visiting Italy or the Canary Islands.

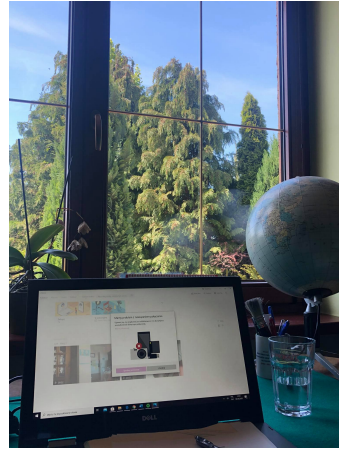

lockdown 2020

In case you're wondering what I'm doing during the lockdown...

walks in the forest with
daddy

school online

bike trips in the forest

hanging out around the
neighbourhood

plans for the future

As for now, I'm hoping I can go to Canada for my summer holidays (which is quite unlikely to happen), I'm taking the CAE exams in December and next April I'm graduating from High School, taking my matura exams and leaving for Canada to start university.

thanks for your attention!

greetings from Poland ;)
