

BILDUNG/ EDUCATION

Why is bildung so important?

Education serves to improve everyone's quality of life. It offers underprivileged adults and children the possibility to escape poverty. It is therefore an essential tool for the economic, social and cultural development of people all over.

Who gives me education?

- Who?
- grand-/parents
 - family
 - teacher
 - educator
 - chief
 - neighbours
 - doctor
 - trainer

What means education to me?

For me education means knowledge. Knowing about your environment, navigating and using it. But education also

means social skills, control (physical and emotional), the ability to acquire knowledge and new abilities and skills. A good education is condition for me to get a good job later.

Where/How is education mediated?

- Where?
- at home
 - kindergarden
 - preschool
 - Middleschool
 - highschool
 - university
 - at work

Why is bildung a human right?

Bildung is a human right because it helps people to get away from poverty and lies. Everyone has the same chance of a good life, with bildung you can get one. Also everyone should have the possibility to acquire knowledge. When you aren't allowed to acquire knowledge, this is a human rights violation. Every kid should have the chance of going to school because there you can get the most education.

- How?
- internet
 - books
 - speech
 - newspaper
 - magazines
 - pictures
