

To insert comment on voicethread

1. On page 1: You can add a chosen quote if you want to
2. On page 2, add your opinion by answering the questions and invite your students to do the same using voice or video

How to do it:

1st click one of the pages example and then click on the bubble speech + at the bottom (see arrow) and choose the media you wish to use to share your comment.

You can either record your voice or make video or uploaded a recorded voice (on vocaroo for exemple or a video). To upload the file click on
