

7°C project

FIREFIGHTERS FRIENDS

2017/2018

FIRES IN AUSTRALIA

Since September we have been hearing about fires in Australia. About 500 million animals and 18 people have died.

FIRES IN PORTUGAL

- **In 2017 Portugal lived a tragedy that has no memory. In June one of the fires killed 64 people on one of the country's roads trying to escape the fires. The fires destroyed houses, factories and even cut roads, including highways. In the October fires more than 50 fatalities were confirmed.**

BETWEEN FIRE LANGUAGES

**Misfortune always comes before him,
It is confronted with misunderstanding,
Selfishness is an incandescent fuse,
And that's not why he feels loneliness**

**He doesn't want notoriety,
He rejects protagonism,
He wants to fight to save,
Because you can say ALTRUISM.**

VOLUNTEER FIREMEN FROM OURÉM

**Ourém volunteer
firefighters were created
on January 4, 1912 with the
motto "life for life"**

OBJECTIVES

- **We developed this project with the objective of raising funds for the Firefighters of Ourém;**
- **Other goals:**

**Learn to
decide in
groups**

**Develop
social skills**

**Raise
awareness of
the importance
of membership**

HOW IT STARTED

- In the CCA subject (Citizenship Culture and Environment), in 2017 teacher Carla Bernardino suggested we do a project and we remember the firemen being that Portugal had been the target of fires that year

FIRST ACTIVITY

**Christmas choir on the
day of evaluation
deliveries, getting in this
activity about 111 €**

SECOND ACTIVITY

On February 19,
2018 the firefighters
invited us to visit
their headquarters.

THIRD ACTIVITY

We invited several institutions to participate where on 24 March we had the opportunity to make the solidarity concert.

FOURTH ACTIVITY

At our school every year a "party" is organized where we can sell some things to raise money, making our class a bank to raise money for firefighters. We distributed leaflets to sensitize people to be partners with firefighters. That day the firefighters were also present.

CONCLUSION

- **With this activity we managed to raise 2000 €, which we offer to volunteer firefighters from Ourém.**
