

**“The Courage to Stand Up for Diversity in Europe – Then and Now”**  
**France standing up against the Nazi occupants**

**Virtual mobility day 2 – January 26, 2021**

**Worksheet** „La Résistance“ –  
the French resistance groups: development, activities, reactions by the Nazis

**Tasks**

Preparation: Read the text “La Résistance”.

- 1 **Get together in your international teams** (green, orange, blue). If not yet done, read the text on the French resistance movements (“La Résistance”).
- 2 Discuss (in your group) on how to **divide work** on the three padlets (see below).
- 3 **Fill in the padlets** with information from the text and add pictures if possible (all groups have full editing rights). You may, of course, add information of your own. You have **30 minutes**.
- 4 Get back together in the plenary group for a little feedback and a setting of anchors.

*By the way, you may talk by opening up your microphones and even try seeing each others by opening your cameras (of available).*

The links for the padlets are as follows:

Group green (1) Padlets “French resistance groups” & ”French resistance activities“& “How the Nazis reacted”:
