NALOŽBA V VAŠO PRIHODNOST

About the project

- **15 partner schools and 75 participating** kindergardens, primary and secondary schools, and student dorms
- It will last until **30. 9. 2021**
- **4500 immigrant children and 6000 professionals** will be involved
- **15 employed teachers and school counsellors – multipliers**

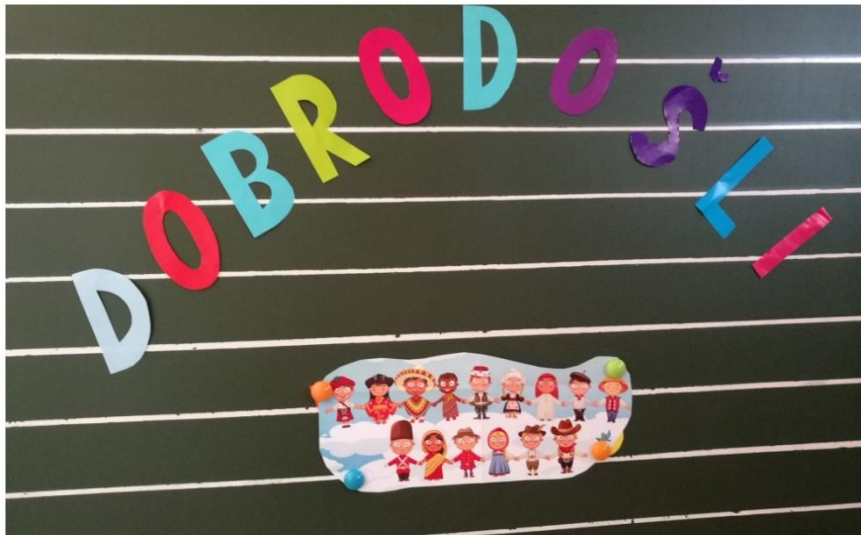

What do we want to accomplish with the project?

- To train teachers and professionals for working with immigrant children,
- to help immigrant children and their families integrate into the new school and local environment,
- to implement and upgrade the existing practices for developing intercultural competences and for working with immigrant children and parents,
- to prepare a draft of a program for working with immigrant children in kindergarten, primary and secondary school (until 31. 8. 2018),
- to disseminate the project results in all levels of education,
- to contribute to a greater tolerance and a positive attitude towards interculturalism in society.

Program »Challenges of intercultural coexistence“ (SIMS)

1. The implementation of direct educational activities with immigrant children and their families:

- An introductory course and program "For immigrant students in the new environment,,

- forming individual e-IP programs for immigrant children in elementary school,
- advanced courses in Slovene,

- Slovenian language learning for parents of immigrant children,

- workshops for developing resilience in children,

- the promotion of volunteering,
- holiday opportunities for children,

- teacher as a confidant,
- interactive school of the Slovenian language,
- "school performances and events to strengthen intercultural values,

- "My piece for Peace" initiative,
- developing supportive environments in the local community and the activation of the majority population.

2. Training for professionals, multipliers' own professional development and other supporting professional activities:
