## DECLARATION OF INTENT

After reaching common conclusions, WE students from Italy, Czech Republic, Sweden and Spain participating together in the Erasmus project YES+ : Targeting Social Inclusion hereby declare ourselves:

1. To fight for **equality, unity and solidarity**.
2. To deconstruct **prejudice** as it is a key point in terms of **integration and social inclusion**.
3. To perceive our failures in **understanding other cultures** not as showstops but as **opportunities to improve** our lives and future.
4. To step out of our **comfort zones** in order to reach **open-mindedness** and to broaden our outlooks.
5. To **cooperate** with different communities in order to **support people who need help with integration** and reaching their goals.
6. To **question judgemental views** and create opportunities for everybody so they are able to **express themselves freely and proudly**.
7. To **value respect** as one of the essential and crucial traits.
8. To demand authorities to **ensure the basic human rights** for everyone without raising **prejudice and to encourage inclusion and cohesion**.
9. To urge governments to **build cultural bridges** that successfully encourage **inclusion and cohesion** considering newcomers, migrants and refugees.
10. To **sustain and support** the above mentioned as active citizens.
