**more interesting?**

t the students could be more active in tne Project.

Plan collaborative activities with multicultural groups of students. Share responsibilities evenly between partner-schools.

Nothing

We would like to meet EFL partners and present our works on the net.It would give vividness effects to our Project.

I would like to cooperate and have more beautiful results.

I would broden the topical content.

More cooperation among partners.

I think we can change the interchange between students.

Stimulate greater collaboration in a single forum for teachers.

I want to work more with the companions of the twin schools
