What did you like most about the program in Taranto?

1. Field trip to eco farm
2. The trip to the eco-farmhouse: the students could work a lot on their own
3. Italian students were very helpful to everyone and the teachers also were very nice
4. I liked the way the Italian students managed their tasks , the professionalism of the people in the eco-farm and the catering school
5. The company of the teachers and the students
6. I liked the visit to the ecofarm, it is relevant to the project (connection with nature, with laborious work on the land, with the origin of food, with our roots) and student did something
7. The field trip to the ecofarm house, because we saw practical tasks
8. The field trips, the food and the visit to the hotel and catering school
9. The cooking lab at the catering school .
10. The trips to Lecce and the activity at the farm house. The cooking labs .

General comments about the 3rd meeting in Taranto

1. More time for discussion and revision would have been helpful
2. Communication between the coordinators. The information about concrete details came sometimes a bit late.
3. I spent in Taranto a very nice week with many attractions, especially heritage trips and we could learn how to eat healthy and how to cook in a healthy way
4. The hosting of the students was very good.
5. The student haven't always been working together in transnational teams with a common purpose .
6. I think there was a lot of things in the program, really interesting things
7. As every meeting it let me gain experience about the culture and cuisine of Italy. What is more, it enriched my knowledge about Italian lifestyle and eating habits from this part of Europe. Our students enjoyed their stay very much and they're ... shout it
8. The meeting sometimes suffered from some lacks in the organization
