

KNOW THE RULES!

• Group 1

Rule #1: Don't change the destiny of people.

Rule #2: Don't change actions made in the past.

Rule #3: Don't do anything that could impact the future events.

Rule #4: Always take some notes during your journey but never share them to others.

Rule #5: Don't kill anyone.

• Group 2

Rule #1: You can't time travel with technologies (for example your phone)

Rule #2: Do not try to meet yourself or your relatives.

Rule #3: Do not use time travel to commit crimes (or even to planify one, it includes cheating at money games).

Rule #4: You can't change the events in the past, present or future.

Rule #5: You must ask permission before time travelling, with the departure and arrival date and a valid reason for your travel in time.

• Group 3

Rule #1: In the future you can't talk to the people that you know in the past.

Rule #2: Do not change something in the past because it will impact the present (to your personal or everyone else destiny)

Rule #3: If you want to go back in time to change something, you will have to erase a memory of your choice.

Rule #4: Do not say that you are from the past or just talk to the people who live there

Rule #5: When traveling to the future, we must exceed the speed of light

• Group 4

Rule #1: You will not reveal secrets of the future.

Rule #2: You can only travel in the future. The past is written in memories, photos, and history, you can't access it in any other way.

Rule #3: You cannot change History.

Rule #4: Do not try to take something such as an animal or an object from one time to another.

Rule #5: Time travel has to be for an important reason, it is not a game, you must have a purpose to travel through time.

• Group 5

Rule #1: You mustn't change the course of events in the past because they may affect the future...just leave that world as you found it

Rule #2: You'd better not kill or try to save anyone.

Rule #3: You don't have to reveal what's happening in the present while you're in the past.

Rule #4: You mustn't meet your "self" from the past, or the future.

Rule #5: You must adapt your clothes according to the era you are in.
