Unfortunately, Přimda is a small town and it is not possible to accommodate all your groups in a hotel in Přimda, so you'll stay in the town called Horšovský Týn which is about 35 km part from Přimda. You will travel by bus from Horšovský Týn to Přimda and back every day.

Tuesday:

- 9:45 Start of Workshop Mosaics. We will introduce the making of mosaics first, then students will work in groups of 6, one/two students from each country. Students will prepare their country's mosaics flags on a pre-ready pattern model. (Our local area, Antakya, is famous for its archaeological mosaics remains and has a very rich history about it. It has a museum about it. We would like to prepare a nice picture, but making mosaics is hard and it needs a lot of time and professionalism to make a complex picture. So we chose flags, which is easier to make and can be finished in a shorter time. The patterns will be half-done, students will complete it.) At the same time, teachers will have a meeting to discuss about the next mobility. Emre and/or Ekrem (Eko) will supervise children during the meeting.
- 12:00 End of the workshop

- 13:00 – Visit of the famous spa Mariánské Lázně. There is a nice miniature park called Boheminium (<http://www.boheminium.cz/>) where you can see lots of famous Bohemian sights. Then we'll walk through the town along the promenade.
