Its total area is 4.7 ha, interior's area is 2.5 ha.)

We have a great request for you ALL to take part in the activities here, both students and teachers. We will take part in the far travel in the past, ten centuries ago. Taking part in the workshops, you will have an opportunity to experience living at that time. All participants should wear casual clothes and comfortable shoes. We will spend all this time outdoor. Participants will finish sewing linen shirts,

which were typically worn at that time, by decorating them. (It would be good if you wear white T-shirts because they'll match the linen shirts, but it's up to you). The shirts will be tailored specially for our group.

!!! That's why, another great request, it is very important to give us the number of participants (number of men, women, boys, girls) and providing information of their European sizes as soon as possible!

Participants will work in mixed groups.
