### Agenda

1. Meet and get to know each other
2. Our project: the story, the concept, the idea, the approach
3. Learn about the different schools and locations
4. Go over the timetable of meetings and mobilities
5. Go over the project timetable of local activities
6. Get clear about the necessary project outputs – the journal in particular
7. Identify individual strengths and competencies
8. Assign responsibilities and get clear about the budget(s) of the project
9. Agree about useful tools and communication channels plus TwinSpace
10. First next steps, first year of partnership
11. AOB [Any Other Business]

### Homework for all partners

1. Bring **ONE object per person** that characterizes the region where your school is located (e.g. a handicraft, a book, a sample of food/drink, an old map...anything that you consider typical for your region/town). **DO NOT SHOW or TELL anyone**, not even your local colleague :-)
2. Have a list of ALL YOUR **project-related questions** ready, we need to get them all answered during the meeting.
3. Print and bring your copy of the **project application**.
4. Be ready to work hard AND have a good time :-)
