# 02

## MIYEOKGUK (Seaweed Soup)

---

MIYEOKGUK is a type of seaweed soup.

The seaweed is very slippery just like oil.

People usually eat it on their birthdays.

# 03

## SPINACH SIDE DISH

---

It is a side dish which is made of spinach.

It's a bit salty because of the sauce.

It tastes like salad it is also an old Korean traditional food.

## The way we eat

In school, students move to the cafeteria to get eat their own lunch.

Students get their lunch on their plate.

In Korean, people usually use spoond and chopsticks to eat food.

# Cafeteria

---

Our cafeteria is very neat and clean.

There are enormous tables in the cafeteria, but due to COVID 19, the tables are to prevent infections among students.

thanks
