

# *Messages on Europe Day*

Romanian students wrote a few messages to their partners.  
Some of them also translated them into Romanian.

# Happy Europe Day !

The only way we all get our problems solved is by being together and helping each other find peace.  
Let's all unite on this beautiful day and try to find this peace within ourselves. Happy Europe Day for everyone who is celebrating !

**Singura cale prin care ne rezolvam problemele este cea în care ne adunam și ne ajutam reciproc pentru a găsi pacea.  
Hai sa ne unim in aceasta zi minunata și să găsim această pace din interiorul nostru, împreună! Zi a Europei fericita pentru toți cei care sărbătoresc !**

**-It's the motivation that we can receive from others in the time we are united so that we can find more peace.**

**-Happy Europe Day to every individual trying to discover peace by seeking help from others and developing a positive mindset on this memorable day.**

**-Discovering peace is too difficult when one is alone. One needs to have a positive mindset. Let's all start learning this positive mindset to instill peace in our lives by being together.**

## **Happy Europe Day!**

I hope on this great **day**, we all would unite together to achieve more peace and **happiness**.

-To all those who are celebrating, wishing you all a **happy Europe day**. May you achieve more peace and **happiness**. -The more you achieve peace and unity, the more successful our **Europe** will be.

*-Sper sa fim uniti pentru a atinge pacea si fericirea.*

*-O zi a europeii frumoasa!*

*-Cu cat mai repede obtinem pacea si unitatea cu atat mai mare va fi succesul intregii Europe.*

# Happy Europe Day!

Lots of good wishes to all those who are celebrating this special day. I know each one of you will find more ways to unite together so that you can find more peace and happiness.

Multe urari de bine tuturor ce sarbatoresc aceasta zi speciala. Stiu ca fiecare dintre voi va gasi mai multe metode de a va uni impreuna si de a gasi mai multa pace si bucurie.

# Happy Europe Day!

-Peace is one of the essential factors that we all need to have in our lives. I wish we all could find peace on this beautiful day.

-Pacea este unul dintre factorii esentiali ai vietii noastre. Imi doresc ca noi toti sa gasim pacea in aceasta zi frumoasa!

# Happy Europe Day!

-To all the Europeans, it's a day to be together to celebrate peace, and all we could do is find more ways to find peace. No doubt, we can all discover many ways by being united and by being together.

-Pentru toți europenii, este o zi să fim împreună pentru a sărbători pacea și tot ce am putea face este să găsim mai multe modalități de a găsi pacea. Fără îndoială, cu toții putem descoperi multe modalități prin a fi uniți și a fi împreună.
